**Application for Modification of
International Signaling Point Code
Office of International Affairs**

Not Yet Approved by
OMB
3060-1028
See instructions for
public burden estimate

1. This is an application for modification of file number. [The Applicant fills in the file number].
2. The Applicant has attached a narrative statement describing the changes to the International Signaling Point Code being made in this modification. **[check box]**

[[The system brings up the application to be modified with each answer pre-populated from the application as it was filed, except for the (1) application description, (2) Certification Statements check boxes, and (3) signature block. The Applicant then makes changes as necessary.]]
