SUPPLEMENTARY INFORMATION:

Proposal to renew the following currently approved collection of information:

1. *Title:* Insurance Sales Consumer Protections.

OMB Number: 3064–0140.

Forms: None.

Affected Public: Insured State nonmember banks and savings associations that sell insurance products; persons who sell insurance in or on behalf of insured State nonmember banks and savings associations.

Burden Estimate:

SUMMARY OF ESTIMATED ANNUAL BURDEN
[OMB No. 3064-0140]

Information collection (obligation to respond)	Type of burden (frequency of response)	Number of respondents	Number of responses per respondent	Time per response (HH:MM)	Annual burden (hours)
1. Insurance Sales Consumer Protections, 12 CFR 343 (Mandatory).	Third Party Disclosure (On Occasion).	1,101	1	05:00	5,505
Total Annual Burden (Hours):	5,505

Source: FDIC.

General Description of Collection: Respondents must prepare and provide certain disclosures to consumers (e.g., that insurance products and annuities are not FDIC-insured) and obtain consumer acknowledgments, at two different times: (1) Before the completion of the initial sale of an insurance product or annuity to a consumer; and (2) at the time of application for the extension of credit (if insurance products or annuities are sold, solicited, advertised, or offered in connection with an extension of credit). There is no change in the substance or methodology of this information collection. The decrease in burden is due solely to a decrease in the estimated number of respondents.

The disclosure requirements in this information collection apply to all FDIC-supervised IDIs that sell insurance products. According to recent Reports of

Condition and Income (Call Report), there are currently 3,068 FDIC-supervised IDIs.¹ To estimate the number of IDIs that would be directly affected by this ICR, FDIC restricts the count to those IDIs that report income from the sale of insurance on their Call Reports. IDIs report income from insurance activities differently depending on which Call Report form they file. IDIs file Call Report form 051 if they have less than \$1 billion in total assets and do not have any foreign offices, and they file forms 031 or 041 otherwise. IDIs that file form 051 report income from insurance activities on Call Report schedule RI line 5(d) 2, while IDIs that file forms 031 or 041 report income from annuity sales, underwriting income from insurance and reinsurance activities, and other income from insurance activities on Call Report schedule RI lines 5(d) 3-5.

As of September 30, 2022, 321 FDIC-supervised IDIs reported non-zero values of income from annuity sales, underwriting income from insurance and reinsurance activities, or income from other insurance activities on Call Report forms 031 or 041. Another 780 FDIC-supervised IDIs reported non-zero values of income from insurance activities on Call Report form 051.² Accordingly, the estimated number of respondents for this information collection is 1,101.³

General Description of Collection: This Guidance helps promote that incentive compensation policies at insured state non-member banks do not encourage excessive risk-taking and are consistent with the safety and soundness of the organization. Under this Guidance, banks are encouraged to: (i) Have policies and procedures that identify and describe the role(s) of the personnel and units authorized to be involved in incentive compensation

arrangements, identify the source of significant risk-related inputs, establish appropriate controls governing these inputs to help ensure their integrity, and identify the individual(s) and unit(s) whose approval is necessary for the establishment or modification of incentive compensation arrangements; (ii) create and maintain sufficient documentation to permit an audit of the organization's processes for incentive compensation arrangements; (iii) have

any material exceptions or adjustments to the incentive compensation arrangements established for senior executives approved and documented by its board of directors; and (iv) have its board of directors receive and review, on an annual or more frequent basis, an assessment by management of the effectiveness of the design and operation of the organization's incentive compensation system in providing risk taking incentives that are consistent
