

Non-substantive Change Request

0535-0213 – Agricultural Surveys Program

Agricultural Survey (List) US Master Version - June 2022

As part of NASS' effort to investigate the use of electronic mail (email) to request survey response, NASS is requesting to add the following two qualitative questions at the conclusion of the June Agricultural (List) Survey. Only those operations that complete the survey via Computer Assisted Survey Interviewing (CASI) will have these questions. They will not be on the printed June Agricultural Survey.

21

Section 6 - Conclusion

99

Please provide your feedback about emails you may have received about the June Agricultural Survey.

1. Did you receive an email reminder from NASS to complete the questionnaire?

- Yes
- No
- Don't Know

2. Please check all that apply:

- The email helped to remind me to complete the questionnaire by the due date.
- I clicked the link in the email to complete the online questionnaire.
- I called the phone number in the email for assistance.
- The email provided me with information about the confidentiality of my data.
- I prefer email reminders rather than mailed paper reminders.
- The information in the email was not useful to me.
- I unsubscribed from email reminder communications.
- I did not open the email.
- I have other feedback about the email - please specify _____.

Summarized data will not be published, but used to investigate the use of electronic mail (email) for future surveys. These changes will not impact the current sample size or respondent burden. The revised questionnaire has been loaded to ROCIS.
