The Bidder further agrees by submitting this bid that Form AD-1047 *Certification Regarding Debarment, Suspension and Other Responsibility Matters Primary Covered Transactions* shall be completed by the Purchaser and provided to the Contracting Officer upon request.

2. The inability of a person to provide the certification will not necessarily result in denial of participation in this timber sale (covered transaction). The prospective timber sale purchaser shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the Forest Service's determination whether to enter into this timber sale. However, failure of the prospective timber sale purchaser to furnish a certification or an explanation shall disqualify such person from participation in this timber sale.

3. The certification is a material representation of fact upon which reliance was placed when the Forest Service determined to enter into this timber sale. If it is later determined that the prospective timber sale purchaser knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Forest Service may terminate this timber sale for cause or default.

4. The prospective timber sale purchaser shall provide immediate written notice to the Forest Service, to whom this proposal is submitted, if at any time the prospective timber sale purchaser learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms 'covered transaction,' 'debarred,' 'suspended,' 'ineligible,' 'lower tier covered transaction,' 'participant,' 'person,' 'primary covered transaction,' 'principal,' 'proposal,' and 'voluntarily excluded,' as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the Forest Service for assistance in obtaining a copy of those regulations.

6. The prospective timber sale purchaser agrees by submitting this proposal that, should the proposed timber sale transaction be entered into, it shall not knowingly enter into any subcontractor transaction (lower tier covered transaction) with a person who is proposed for debarment under 48 CFR 9.4, or who is debarred, suspended, declared ineligible, or voluntarily excluded under 48 CFR 9.4 from participation in this timber sale, unless authorized by the Forest Service's non-procurement Debarment and Suspending Official.

A participant in a timber sale may rely upon a certification of a prospective subcontractor that it is not proposed for debarment under 48 CFR 9.4, or is not debarred, suspended, ineligible, or voluntarily excluded from the timber sale, unless it knows that the certification is erroneous. A timber sale purchaser may decide the method and frequency by which it determines the eligibility of its principals. Each timber sale purchaser may, but is not required to check for those listed as Excluded in the System for Award Management.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this provision. The knowledge and information of a timber sale purchaser is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of the instructions for certification, if a contractor knowingly enters into a subcontractor transaction with a person who is proposed for debarment under 48 CFR 9.4, or who is suspended, debarred, ineligible, or voluntarily excluded under 48 CFR 9.4, from participation in this contract, in addition to other remedies available to the Federal Government, the Forest Service may terminate this contract for cause or default and/or pursue suspension and/or debarment.
