AUTHORITY: The collection of this information is authorized by the Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C. 1801 et seq.

PURPOSE: NMFS uses the information provided on this application form to identify a cooperative that is eligible to participate in the Pacific Cod Trawl Cooperative (PCTC) Program; the QS holders, vessels, and processors that are members of the cooperative; and the person who is the authorized representative for the cooperative. In addition, NMFS uses the information on this application form as a basis for issuing annual cooperative quota for groundfish and halibut prohibited species catch limits to each eligible cooperative. The primary purpose for requesting the social security number/tax ID number is for the collection and reporting on any delinquent amounts arising out of such person's relationship with the government pursuant to the Debt Collection Improvement Act of 1996 (Public Law 104-134). All potential PCTC Program QS holders may incur a debt to the government because of fee liabilities charged under the PCTC Program cost recovery fee program authorized under section 304(d)(2)(A) of the Magnuson-Stevens Act and implemented by regulations at 50 CFR 679.135.

Other information is confidential under section 402(b) of the Magnuson-Stevens Act and NOAA Administrative Order 216-100, which sets forth procedures to protect confidentiality of fishery statistics.

DISCLOSURE: Providing this information is mandatory; failure to provide complete and accurate information will prevent the annual issuance of PCTC Program cooperative quota.

Instructions for PCTC Program Cooperative Quota (CQ)

An Application for PCTC Program CQ must be submitted by November 1 each year. NMFS will issue a CQ permit to a cooperative if the cooperative submits this application and it is approved by NMFS. A PCTC Program CQ permit is valid only for the duration of the PCTC Program fishing season. LLP license holders that hold PCTC Program quota share (QS) must join a cooperative annually in association with a processor who holds a PCTC Program Processor Permit to harvest their trawl CV Pacific cod CQ. A minimum of three LLP licenses are needed to form a cooperative. Only one processor may join a cooperative.

PCTC Program quota share (QS) means a permit issued by NMFS expressed in numerical units, that designates the amount of PCTC QS units derived from the Pacific cod legal landings assigned to an LLP license or PCTC Program QS permit held by a processor and used as the basis for the issuance of annual CQ.

PCTC Program cooperative means a group of Pacific cod eligible harvesters who have chosen to form a cooperative under the requirements in § 679.131 in order to combine and harvest fish collectively under a CQ permit issued by NMFS.
