

**Justification for Nonsubstantive Change  
Generic Clearance for Challenge and Competition Solicitations  
OMB Control No. 0690-0031**

We are seeking a nonsubstantive change due to an underestimate of anticipated respondents and burden hours for this generic clearance. As a result of the estimated increase in the number of respondents, we have made an adjustment to the cost of the estimated annualized burden costs table.

Thank you for your approval consideration. February 2021
