

NAWCAD STRATEGIC EDUCATION OFFICE

SCIENCE FAIR MENTOR PROGRAM

- STUDENT & MENTOR REGISTRATION FORMS DUE SEPTEMBER 16

WHAT DO WE DO?

Connect St. Mary's High School students with local professional scientists and engineers as mentors for the St. Mary's County Science and Engineer Fair since 2014!

WHO ARE THE MENTORS?

- Mechanical Engineers
- Computer & Electrical Engineers
- Aerospace Engineers
- Chemical & Materials Engineers
- Physicists
- And More!

HOW IT WORKS?

Local engineers and scientists register to volunteer, and attend a 1 day training event to learn about the specifics and how to mentor.

Teachers submit applications for students who wish to participate. Students are then paired with mentors based on project and student needs.

WHERE DO WE MEET?

- The student's school on Fridays
- St. Mary's County Public Library
21677 Franklin Delano Roosevelt Blvd.
Lexington Park, MD 20653
- Virtually via Google Meet - To Be Determined
