

CDRH Medical Device Fellowship Program - Application Form

(See Paperwork Reduction Act Statement at the bottom of the form.)

Eligibility Criteria:

1. Candidates must be US citizens or permanent residents.
2. Students must be enrolled in an accredited U.S. college or university and have received at least 60 credit hours in undergraduate study.
3. *Candidates must be free of conflict of interest (</about-fda/medical-device-fellowship-program-eep-ocd-cdrh/medical-device-fellowship-program-conflict-interest>).*

Application Tips:

1. Please visit the MDFP website (</medical-device-fellowship-program-eep-ocd-cdrh>) before completing this online application.
2. After submitting this form, you will be instructed to submit your updated *curriculum vitae* and letter of interest in CDRH in order to complete the application. Students must submit an academic transcript by email to: mdfp@fda.hhs.gov (<mailto:mdfp@fda.hhs.gov>).

Application Deadlines:

- For Professionals:
 - Applications are accepted year-round and should be submitted at least 3 months prior to the desired starting date.
- For Students:
 - Students – Please note that for all federal agencies in the US a new program called Pathways is now used as the portal to hire students. There may be Pathways openings at other federal agencies. Please look at www.usajobs.gov (<http://www.usajobs.gov>), and search for the word Pathways and your geographic area of interest to see if there are announcements. It is typical that these announcements may be posted for one week, so a helpful tip is to check every Monday morning or early in the week. There is no regular routine posting schedule. Another tip is to learn to use the www.usajobs.gov (<http://www.usajobs.gov>) website ahead of time, and have your resume and transcripts available and ready. Follow the announcement instructions carefully and submit all needed documents. If there are several similar announcements, apply individually to each one for which you are qualified. For summer intern positions, announcements may appear at any time but

are especially likely to be posted in December, January or February. Please search daily during these months.

** indicates required field*

1. Contact Information

***Name:**

***Address (street, city, state, & zip):**

***Phone Number (xxx-xxx-xxxx):**

***Email Address:**

***Date of Birth (mm/dd/yyyy):**

Are you a veteran?

- No
- Yes

Citizenship Status:

- United States Citizen
- Permanent Resident

If Permanent Resident, LIST BOTH Alien Registration Number AND Country of Citizenship (i.e. "12345678, Canada"):

List your degree(s) starting with the highest. Include the institution and date obtained for each:

Degrees

List Your Area(s) of Expertise:

Areas of Expertise

Do you have previous experience at FDA?

- No
 Yes

Do you have a relative working at FDA?

- No
 Yes

If Yes, Relative's Name and Center/Office:

Relative's Name

2. Academic Information (Note: if not a student, you may skip this section)

School Name:

School

Current Level of Education:

(select one) 

Academic Major(s) and Expected Date(s) of Graduation for each:

Majors and Expected Graduation

Cumulative GPA (include max, e.g. "3.5 of 4.0"):

GPA

Position Sought (If seeking co-op position, student must be participating in a formal co-operative program at his/her school):

- Internship
- Co-op

3. Employment Information (If not currently employed, list most recent employment information.)

Company Name and Address:

Position Title:

Period of Employment (mm/yyyy to mm/yyyy):

Supervisor's Name and Phone Number:

4. Interest and Availability

List Your Area(s) of Interest in CDRH (list up to 5 in order of preference, starting with most interested):

Examples: Pre-market, Post-market, Lab Research, Regulatory Science, Anesthesiology, Cardiovascular, Dentistry, Diagnostic Radiology, Ear Nose and Throat, Infection Control, Gastroenterology and Renal, General Surgery, Human Factors, In Vitro Diagnostics, Law, Neurology, Neurosurgery, Nephrology, Nursing, Obstetrics and Gynecology, Ophthalmology, Orthopaedics, Plastic Surgery, Public Health, Radiation Therapy, Regulatory Issues, Respiratory, Restorative Devices, Surgery, Trauma Surgery, Urology, Other Medical Specialties; Biostatistics, Chemistry, Engineering, Epidemiology, Biostatistics, Law, Manufacturing Practices, Regulatory Issues, Electromagnetics, Wireless Technologies, Electrophysiology, Fluid Dynamics, Genomics, Genetics, Tissue Engineering, Materials Mechanics, Optical Diagnostics, Optical Radiation, Physics, Radiation Bioeffects, Statistics, Other Science and Math Areas

Areas of Interest

Desired Start Date (mm/dd/yyyy):

Start Date

Desired Length of Appointment:

(select one)

Submit

Clear Form

After submitting this form, send your updated *curriculum vitae* and letter of interest in CDRH to mdfp@fda.hhs.gov (<mailto:mdfp@fda.hhs.gov>). Students must also submit an academic transcript.

Paperwork Reduction Act Statement

The public reporting burden for this collection of information is estimated to average one hour per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the necessary data, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information to this address:

*Department of Health and Human Services
Food and Drug Administration
Office of Information Management
1350 Piccard Drive; Pi50 Rm 400B
Rockville, MD 20850*

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Information collected for the Medical Device Fellowship Program is approved under OMB Control No. 0910-0780 and expires February 29, 2024.
