Subject: New Protocol #2023-01 National Electronic Health Records Survey

The NCHS Ethics Review Board reviewed the request for approval of New Protocol #2023-01 National Electronic Health Records Survey, at the March 15th, 2023 convened ERB meeting. The NCHS Human Subjects Contact determined that the New Protocol #2023-01 National Electronic Health Records Survey is a public health surveillance activity under the 2018 requirements of the Common Rule (45 CFR 46.102(l)(2)).

Protocol #2023-01 is approved for a maximum of 4 years.

ERB approval of protocol #2023-01 will expire **03/24/2027**.

Any problems of a serious nature should be brought to the attention of the ERB, and any additional proposed changes affecting the consent process should be submitted for IRB approval before they are implemented.

Please contact me or Kyle Wise, if you have any questions.
