Subject: RE: OMB-Clearance-New 30-DAY ICR-Traveler-based Genomic Surveillance

Good Morning Rudith,

I have completed my review of the documentation provided. Based on the response from the program and the fact that they are not collecting any Personally Identifiable Information (PII), a PIA is not required for this Information Collection Request (ICR). Please be sure to update the SSA to reflect this since there is a statement that the PIA is an attachment. You are good to continue with your OMB processing. Thanks. Bill
