Overview

The ASC CPL (Ambulatory Surgical Center Covered Procedures List) was authorized in accordance with section 1833(i)(1) of the Social Security Act, which requires the Secretary to specify surgical procedures which can be performed safely on an ambulatory basis in an ASC.

CMS reviews and updates the ASC CPL annually. In this pre-proposed rule recommendation process, CMS is seeking recommendations for surgical procedures to add to the ASC Covered Procedures List (CPL) in future rulemaking.

Pre-proposed rule procedure recommendations will occur through the MEARIS™ application system.

Process

- Login or Register as a MEARIS™ user.
- Complete your ASC CPL Pre-Proposed Rule Recommendation Request by answering specific questions detailed in the electronic application and uploading any supporting documentation.
- Applications must include a response to each question, unless otherwise specified. Information must be entered directly into

Process

- Login or Register as a MEARIS™ user.
- Complete your ASC CPL Pre-Proposed Rule Recommendation Request by answering specific questions detailed in the electronic application and uploading any supporting documentation.
- Applications must include a response to each question, unless otherwise specified. Information must be entered directly into the online form. Please do not copy and paste questions and answers from a different document.
- Applications are automatically saved when you click "Next". You may exit the application at any time and continue where you left off. However, once submitted, the application cannot be changed.
- Upon submission, you will receive a system confirmation that your information has been received.
- CMS may request additional information and/or documentation regarding your submission via a request for information (RFI). This request will show up as a task on your home page and you will be notified via email about the Task Due.

Requirements

Any interested person or organization may submit an application to recommend one or more procedures for the ASC CPL by the due date noted on the MEARIS™ website.

Under current regulations, in order for a service to be added to the ASC-CPL, it must meet the regulatory criteria at 42 CFR 416.166. This includes the general standards that the surgical procedure must be separately paid under the OPPS, must not be expected to pose a significant safety risk to a Medicare beneficiary when performed in an ASC, and that standard medical practice dictates that the beneficiary would not typically be expected to require active medical monitoring and care at midnight following the procedure.

Requirements

Any interested person or organization may submit an application to recommend one or more procedures for the ASC CPL by the due date noted on the MEARIS™ website.

Under current regulations, in order for a service to be added to the ASC-CPL, it must meet the regulatory criteria at 42 CFR 416.166. This includes the general standards that the surgical procedure must be separately paid under the OPPS, must not be expected to pose a significant safety risk to a Medicare beneficiary when performed in an ASC, and that standard medical practice dictates that the beneficiary would not typically be expected to require active medical monitoring and care at midnight following the procedure.

Additionally, procedures are not placed on the CPL under current regulations if they meet any of the following general exclusions: (1) generally result in extensive blood loss; (2) require major or prolonged invasion of body cavities; (3) directly involve major blood vessels; (4) are generally emergent or life-threatening in nature; (5) commonly require systemic thrombolytic therapy; (6) are designated as requiring inpatient care; (7) can only be reported using CPT unlisted surgical procedure code; or (8) are otherwise excluded under Medicare (42 CFR § 416.166(c)).

More information about the ASC CPL can be found in the OPPS/ASC annual regulations, which are accessible at [CMS Website - ASC Payment](#)

FAQs

Q: If I would like to complete and submit an application: where do I go?

FAQs

Q: If I would like to complete and submit an application: where do I go?

A: On the Home Page, please click on [Register](#) if you are new to the MEARIS™ system. If you already have a MEARIS™ account, click on [Login](#) on the top bar to log in and begin the application process.

Q: Am I able to upload supporting documentation?

A: Yes. As you go through the ASC CPL application, you will have the opportunity to upload supporting documentation and files.

Q: Will I be able to change the information on the ASC CPL application that I fill out?

A: Yes, changes can only be made prior to submitting an ASC CPL application. Once the application has been submitted, the applicant will not be able to make any changes.

Q: Do I need to be a registered MEARIS™ user to request and submit an ASC CPL application?

A: Yes, to be able to submit any CMS MEARIS™ Request or Application, you must be a registered Applicant or Requester.

Q: How will I see the progress of my application or request?

A: Upon logging into your MEARIS™ account you will be able to see status updates and what date the application or request was

Q: Do I need to be a registered MEARIS™ user to request and submit an ASC CPL application?

A: Yes, to be able to submit any CMS MEARIS™ Request or Application, you must be a registered Applicant or Requester.

Q: How will I see the progress of my application or request?

A: Upon logging into your MEARIS™ account you will be able to see status updates and what date the application or request was last updated as it progresses through the internal CMS review process. Status updates are provided when the application is submitted and when it is under review. HCPCS codes that are proposed by CMS are included in the calendar year proposed rule.

PRA Disclosure Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is (pending) (Expires:). This is a required information collection. The time required to complete this information collection is estimated to average (pending) per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.
