Email Subject: Request to Complete Youth Experience Survey about Court Experience

Dear [respondent name],

I am writing to ask you to complete a debrief form about your experiences with the child welfare court system. This survey asks questions about how judges engaged with families, satisfaction with their lawyers, and basic information about youth, like age and gender. The information you provide will help our team understand better ways to help other youth and families who experience child welfare courts.

This survey is part of the Judicial, Court, and Attorney Measures of Performance (JCAMP) project, funded by the Children's Bureau.

We know that you are very busy. The survey should take an average of 10 minutes to complete.

Click here to complete the survey by [insert date].

Your participation is voluntary; not required to take this survey. If you choose to take this survey, any information will be kept private.

I appreciate your time and consideration. If you have questions about the survey, please contact me at [email] or [phone].

Thank you!
