TITLE OF INFORMATION COLLECTION: Web Survey for Soliciting Feedback for Division of Energy Employees Occupational Illness Compensation (DEEOIC) Energy Document Portal

PURPOSE OF COLLECTION: Web survey designed to gather feedback from claimants under the Energy Employees Occupational Illness Compensation Program Act utilizing the Energy Document Portal (EDP) website. Soliciting feedback on how well the tool works, what type of information they use it to submit, if there are any areas for improvement, and an overall idea of how usable the tool is for our stakeholders. We will use the information to improve our claimants' experiences and identify potential areas for improvement and/or training within EDP. We will report the findings of this on-going survey on the Performance.gov website.

TYPE OF ACTIVITY: (Check one)

- Customer Research (Interview, Focus Groups)
- Customer Feedback Survey
- User Testing

CERTIFICATION:

I certify the following to be true:

1. The collections are voluntary;
2. The collections are low-burden for respondents (based on considerations of total burden hours or burden-hours per respondent) and are low-cost for both the respondents and the Federal Government;
3. The collections are non-controversial and do not raise issues of concern to other Federal agencies;
4. Any collection is targeted to the solicitation of opinions from respondents who have experience with the program or may have experience with the program in the near future;

5. Personally identifiable information (PII) is collected only to the extent necessary and is not retained;
6. Information gathered is intended to be used for general service improvement and program management purposes
7. Upon agreement between OMB and the agency aggregated data may be released as part of A-11, Section 280 requirements only on performance.gov. Summaries of customer research and user testing activities may be included in public-facing customer journey maps.
8. Additional release of data will be coordinated with OMB.
