

Department of Labor API Registration

Public reporting burden for this API is estimated to average 9 minutes per response. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and submitting the information to the API. This collection of information is voluntary. You are not required to respond to this collection of information unless it displays a valid OMB control number. Please send comments regarding the burden estimate or any other aspect of this collection of information to odg@dol.gov and reference OMB control number 1290-0NEW. NOTE: Please do not send your completed API request to this address.

To access the Department of Labor's (DOL) open data service, you need register for an API key. After you register below, you will receive an email with your API key and instructions to get started.
