Public Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 18xx-xxxx. Public reporting burden for this collection of information is estimated to average 8 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is required to obtain or retain benefits (EDGAR, Section 75.720 and 80.40). If you have any comments concerning the accuracy of the time estimate, suggestions for improving this individual collection, or if you have comments or concerns regarding the status of your individual form, application or survey, please contact Stephanie Jones, at stephanie.jones@ed.gov, directly.

2 Introduction

2.1 Overview

This document provides a description of the executed tasks and associated screenshots that are used to describe the implementation and performance of CSP Grantees as part of the Charter School Programs (CSP) Data Collection, Risk Assessment, and Monitoring contract (GS-10F-0288W) and the Charter Online Management and Performance System (COMPS). Where applicable, this document provides explicit detail on the logic patterns of response options which show the full range of experiences Grantees may have as they use the system based on their responses as they go.

The Charter School Programs (CSP) grant program serves the purpose of Section 5201 of the Elementary and Secondary Education Act of 1965 (ESEA), which seeks to expand the number of high-quality charter schools and increase national understanding of the charter school model. Charter Management Organizations (CMO) are one of the key institutions and recipients of Federal CSP funds. CMOs are non-profit organization that operates or manages multiple charter schools (either through a contract with the charter schools or as the charter holder) linked by centralized support, operations, and oversight.

As CSP grant recipients, CMO Grantees have to follow certain Federal and U.S. Department of Education (ED) laws and regulations, as well as adhere to the project objectives and measures the Grantee outlined in their grant applications, such as assurances, competitive priorities, key program activities, grant objectives, approved budget and waiver requests. As part of this requirement, CSP is requiring the Grantees enter key grant and project information at the time of award. This baseline information will be input once, and used to benchmark additional data/reporting that is required each Spring and fall as part of the APR and school/subgrant data collection requirements.

2.2 Purpose

The Charter Online Management and Performance System (**COMPS**) is a web-based application designed to assist ED in conducting compliance and performance monitoring activities for CSP Grantees. COMPS accumulates evidence of compliance and performance from Grantees, as well as provides the ability to capture previously reported data in a more secure and efficient manner. The vision is that COMPS will:

- Streamline the collection of data relating to the CSP monitoring of CMOs using COMPS.
- Provide a comprehensive performance and knowledge management platform.
- Collect grant-recipient performance data, import budget data, perform analytics, automate key document and reporting workflows, and enable two-way communication between OESE and Grantees.

The Grant Profile is the baseline and foundation module for COMPS. Grantees are required to submit baseline information at the time of their award, such as assurances, competitive priorities, key program activities, grant

objectives, approved budget and waiver requests. The Grant Profile module will only be filled out once by Grantees at the start of their grant award. The information continued in the module will be used in the school/subgrant data collection Module and Annual performance Reports (APR) modules, which are covered in a separate user guide.

The purpose of this document is to outline the key tasks CMO Grantees undergo to complete the required activities in COMPS upon their initial grant award, using the Grant Profile module.

3 User Access and Management

3.1 Overview

The User Access and Management module allows access, through an authentication process, to the system's landing page for approved users. The system will provide a central web portal that delivers information, based on role, to CMO organizations. The portal permits users to see only the information that is appropriate for their roles. For example, a Grantee project director would only be able to see data collection information regarding their grant. Users are able to navigate to a user access management page that allows them to edit their name and email address and change their password.

3.2 Instructions and Screenshots

1. Grantees will enter the COMPS system for the first time with their approved email and a temporary password.
2. Grantees will be able to click on their user profile to review their basic information, as depicted below.

The screenshot displays a user profile management interface with two main sections: Basic Information and Account Information. The Basic Information section includes fields for First Name, Last Name, Email, Phone Number (with an 'Add Phone Number' link), Extension, Fax number, Job Title, Organization (US Dept of Education), Organization Type (ED), and State (District of Columbia). The Account Information section includes fields for Username, Password (with a 'Change Your Password' link), and Assigned Role (Project Director). A pencil icon in the top right corner of the Basic Information section indicates an edit function.

4 Grant Profile

4.1 Overview

The Grant Profile is a module for CMO Grantees to enter baseline Grantee organization and grant award information. This information is submitted by CMO Grantees once, at the beginning of the grant. Grantees are required to submit baseline information at the time of their award, such as assurances, competitive priorities, key program activities, grant objectives, approved budget and waiver requests.

4.2 Reporting Steps

During the post-award process, the CMO Project Director and associated staff gain access to the COMPS system. The users then enter the Grant Profile at the start of their grant award. This module is intended to only be entered once during a grant lifecycle.

1. For a new grant award, ED will enter key information for a Grantee into their Grant Profile and activate the Grantee's profile.
2. Grantees will be notified, enter COMPS and access the Grant Profile module.
3. Grantees will view a dashboard that lists their grant award(s).
4. Grantees will click edit to fill out the application Grant Profile sections (listed below).
5. Grantees will submit the form to ED and will be unable to edit the form (they can still view it).
6. ED will review the form for accuracy and completion and either accept it, or reactivate it to return to the Grantee for corrections.
7. If reactivated, the Grantee will make any corrections and resubmit.
8. This data entry is expected to only occur once, at the time of an initial award.

4.3 Instructions and Screenshots

4.3.1 Homepage

- 1. Grantees will enter COMPS and click on the Grant Profile Module.
- 2. Grantees will see their associated award(s).
- 3. Grantees will see an “active” award record.
- 4. Grantees will click the action button to be able to view/edit.

4.3.2 Assurance entry

1. Grantees first will view and certify their cohort assurances by clicking on each checkbox.
2. Please note that the text in the screenshots to the right is illustrative. Assurances will be created in the Grant Profile by ED, and the specific language is dependent on the cohort each grantee is a part of.

The screenshot displays the 'Grant Profile' interface. On the left is a dark blue sidebar with a vertical list of menu items: 'Assurances', 'Competition Priorities', 'Key Program Activities', 'Grant Objectives', 'Approved Budget', and 'Waiver Requests'. The 'Assurances' item is highlighted. The main content area is titled 'Grant Profile' and features a top right corner with a notification bell icon and the text 'Grantee'. Below the title, the 'Assurances' section is active, showing a list of assurance statements, each preceded by an unchecked checkbox. The statements are as follows:

- ☐ Each charter school receiving funds through this program will have a high degree of autonomy over budget and operations, including autonomy over personnel decisions (4303(f));
- ☐ The State entity will support charter schools in meeting the educational needs of their students, including children with disabilities and English learners (4303(f));
- ☐ The State entity will ensure that the authorized public chartering agency of any charter school that receives funds under the State entity's program adequately monitors each charter school under the authority of such agency in recruiting, enrolling, retaining, and meeting the needs of all students, including children with disabilities and English learners (4303(f));
- ☐ The State entity will provide adequate technical assistance to eligible applicants to meet the objectives described in application requirement (a)(1)(8) of section 4303(f);
- ☐ The State entity will promote quality authorizing, consistent with State law, such as through providing technical assistance to support each authorized public chartering agency in the State to improve such agency's ability to monitor the charter schools authorized by the agency, including by-
 - ☐ Assessing annual performance data of the schools, including, as appropriate, graduation rates, student academic growth, and rates of student attrition
 - ☐ Reviewing the schools' independent, annual audits of financial statements prepared in accordance with generally accepted accounting principles and ensuring that any such audits are publicly reported and ;
 - ☐ Holding charter schools accountable to the academic, financial, and operational quality controls agreed to between the charter school and the authorized public chartering agency involved, such as renewal, non-renewal, or revocation of the school's charter (4303(f))
- ☐ The State entity will work to ensure that charter schools are included with the traditional public schools in decision-making about the public school system in the State (4303(f));

At the bottom of the page, there is a '< Back' link on the left and a 'Save & Continue' button on the right.

4.3.3 Competition priorities entry

1. Next, Grantees will select their competition priorities included in their application.
2. For each selected priority, they will provide a description on how they plan to address the priority.
3. Please note that the text in the screenshots to the right is illustrative. Competition priorities will be created in the Grant Profile by ED, and the priorities depend on the grantee's cohort.

4.3.5 Grant Objectives

1. Next, Grantees will enter their key program activities.
2. Grantees will enter their project objectives and associated performance measures. They will be able to add as many objectives and measures as needed.
3. This information will flow to their APR module.

The screenshot shows the 'Grant Profile' page with a sidebar menu on the left containing: Assurances, Competition Priorities, Key Program Activities, Grant Objectives (highlighted), Approved Budget, and Waiver Requests. The main content area is titled 'Grant Objectives' and contains three text input fields labeled 'Project Objective 1', 'Performance Measure 1', and 'Performance Measure 1'. An 'Add Measure' button is located below the second 'Performance Measure 1' field. In the top right corner, there is a notification bell icon and the text 'Grantee'.

This screenshot shows the continuation of the 'Grant Objectives' form. It features two text input fields labeled 'Project Objective 2' and 'Performance Measure 1', with an 'Add Measure' button below the second field. At the bottom right, there is a dark blue 'Add Objective' button. At the very bottom of the page, there are two buttons: '< Back' on the left and 'Save & Continue' on the right.

- 4. After the grant objectives are input, grantees will then select the value type (Raw Number, Ratio, Percentage).
- 5. The grantee will then input the goal for each of their budget periods.
- 6. Grantees will repeat this step for each performance measure under each project objective.
- 7. Grantees are also able to edit and save.

4.3.6 Grant Objectives – Document Uploads

1. On the next grant objectives page, Grantees will upload their logic, management, board policies and manual, organizational chart and closure plans.
2. Grantees will also describe any State or local lottery requirements.
3. After uploading, they will be prompted to enter a question if they are in contract with an EMO or ESP.

The screenshot displays the 'Grant Profile' page on the Ed.gov platform. On the left is a dark blue sidebar with a vertical list of menu items: 'Assurances', 'Competition Priorities', 'Key Program Activities', 'Grant Objectives' (which is highlighted), 'Approved Budget', and 'Waiver Requests'. The main content area is titled 'Grant Objectives' and contains three distinct upload sections. Each section has a heading, the text 'Upload file below:', and a dashed rectangular box with an upward arrow icon and the instruction 'Drop files here to upload or click to choose file'. The sections are: 'Upload Logic Model', 'Upload Management Plan', and 'Upload Board Policies and Manual'. In the top right corner of the page, there is a notification bell icon and a user profile icon labeled 'Grantee'.

4.3.8 Approved Budget

1. Next, Grantees will select whether they are claiming indirect costs.

The screenshot shows the 'Grant Profile' page with a sidebar menu on the left containing: Assurances, Competition Priorities, Key Program Activities, Grant Objectives, Approved Budget (highlighted), and Waiver Requests. The main content area is titled 'Approved Budget' and contains a section 'Indirect Cost Information'. This section asks 'Is the grantee claiming indirect costs under this grant?' with two radio button options: 'Yes' and 'No'. At the bottom of the page, there are '< Back' and 'Save & Continue' buttons.

If they select Yes, another selection appears.

2. If they select Yes, they are prompted to indicated which statement applies.

This screenshot shows the 'Approved Budget' page with the sidebar menu on the left. The main content area is titled 'Tell us about your indirect costs:'. It first asks 'Is the grantee claiming indirect costs under this grant?' with 'Yes' selected. Below this, it asks 'If yes, indicate which of the following applies to the grant?' and lists four radio button options: 'The grantee has an Indirect cost Rate Agreement approved by the Federal Government', 'The grantee is not a State, local government, or Indian tribe, and is using the de minimus rate of 10% of modified total direct costs (MTDC) in compliance with 2 CFR 200.414(f)', 'The grantee is funded under a Restricted Rate Program and is you using a restricted indirect cost rate that either:', and 'The grantee is funded under a Training Rate Program and:'. At the bottom, there are '< Back' and 'Save & Continue' buttons.

If Grantees select the first option, they are prompted to enter the indirect cost rate, dates the agreement covers, and then approving agency.

If yes, indicate which of the following applies to the grant?

☒ The grantee has an Indirect cost Rate Agreement approved by the Federal Government

☐ The grantee is not a State, local government, or Indian tribe, and is using the de minimus rate of 10% of modified total direct costs (MTDC) in compliance with 2 CFR 200.414(f)

Below the text are two buttons: a green "YES" button and a red "NO" button. The background form is partially visible, showing a text area with the label "Please describe the waiver you requested in your grant application.", a section titled "Has the grantee" with radio buttons for "Yes" and "No", and buttons for "Add Waiver", "Back", and "Save & Submit".

This screenshot shows the same web form as above, but with a different modal dialog box. The modal has a green checkmark icon and the text: "Submitted". Below the text is a dark blue "OK" button. The background form is the same as in the previous screenshot, showing the waiver description text area, the "Has the grantee" section, and the "Add Waiver", "Back", and "Save & Submit" buttons.
