INSTRUCTIONS:

The U.S. Department of Education's (Department) regulations at 34 CFR § 75.720 requires Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) State and Partnership grantees to submit an Annual Performance Report (APR). The Department uses APRs to help determine if projects are making substantial progress in accomplishing the goals and objectives of the project. Continuation funding is based on, in part, grantees making annual substantial progress.

The APR consists of a cover sheet and seven sections. The cover sheet must be completed and signed by the project director and the authorized representative and returned to the Department along with the seven sections on or before the due date. A separate announcement including these instructions and the due date will be emailed to each grantee annually. Grantees must complete all questions in the APR except when otherwise stated. In your responses, please define all terms specific to your program and spell out all acronyms the first time they are used.

<u>Reporting Period</u>		Relevant Sections
<u>New Grantee (Year 1)</u> From start date of performance period to March 31	If you are reporting on your first year of implementation, the reporting period includes the time period from the beginning of the grant through March 31 st of the current calendar year. Example: For new awards issued in FY 2022, the reporting period will be from October 2022 to March 31, 2023.	Sections I, II, IV, and V
<u>Continuing Grantee (Years 2 thru 6 or 7)</u> From the beginning to end of the previous academic school year	If you are reporting on years two through six or seven, your reporting period is the prior academic school year for Sections I, II, III (question 13 only), IV, V, VI, and VII which would traditionally include the fall, spring, and summer term of the prior academic school year.	Sections I, II, IV, V, VI, VII, and Section III, question 13

<u>Budget Period</u>		Relevant Section

New and continuing grantees must report on actual and anticipated expenditures, matching contribution as well as any anticipated carryover.	Section III, excluding question 13.

SECTION I: EXECUTIVE SUMMARY

The mission of the GEAR UP program is to significantly increase the number of low-income students who are prepared to enter and succeed in postsecondary education. Please provide a brief description (no more than 8,000 characters) of the current status of your project. Describe the extent to which you have implemented all program activities and components planned for this reporting period, highlighting your major outcomes, successes, and challenges as they pertain to:

- (b) Increasing educational expectations of participating students and their parents, guardians, or family members;
- (c) Improving knowledge regarding postsecondary education preparation and financing for students and their parents, guardians, or family members; and
- (d) Working to improve high school graduation and postsecondary enrollment rates.

What aspects of your program do you think are most successful (have the greatest impact) and why? (no more than 8,000 characters)

SECTION II: ADMINISTRATIVE INFORMATION

1. Describe any significant changes in your project design since the approval of your grant application that did not require prior approval from the Department- e.g., changing from individual tutoring to group tutoring or placing more emphasis on enrichment activities rather than remediation (no more than 8,000 characters).

Note: Changes that require prior approval from the Department should be submitted directly to your program specialist and not through your APR.

12. Indirect Cost Agreement. For State GEAR UP grantees and for projects that designate an LEA as the fiscal agent, the GEAR UP program regulations at 34 CFR section 694.11 limit indirect cost reimbursement to the rate determined in the agency of a State or local government's negotiated indirect cost rate agreement or eight percent of a modified total direct cost base, whichever amount is less. For projects that designate an IHE as the fiscal agent, the GEAR UP program uses a training indirect cost rate. Indirect cost reimbursement on a training grant is limited to the recipient's actual indirect costs (see EDGAR section 75.562), as determined by its negotiated indirect cost agreement, or eight percent of the modified total cost base, whichever amount is less.

For any grantee, in order to claim an indirect cost on next year's budget, the grantee must provide information on their current negotiated indirect cost rate agreement. **Check one of the three options.**

- (a) Current Negotiated Indirect Cost Agreement: Effective date of agreement: Beginning date:

_____,
Ending date: _____, Current rate: _____

- (b) Requesting Negotiated Indirect Cost Agreement: If you have requested to negotiate an indirect cost agreement but have not finalized one, you should provide your program officer with evidence of your contact with the cognizant agency and their response. Please indicate whether your program officer has documentation of your attempt to secure an indirect cost agreement:
Yes No

- (c) Do not claim indirect cost.
