

Supplemental Document: Justification for a no Material/Non-Substantive Change

MARAD requests approval to make the following changes to OMB 2133-0504 (Regulations for Making Excess or Surplus Federal Property Available to the US Merchant Marine Academy, and the State Maritime Academies & Non-Profit Maritime Training Facilities):

1. Minor changes are being made to the original disposition agreement template including deletions of items Articles 4 and 6, which are required to effectuate an agreement with an institution in Texas that is unable to agree to indemnification.
