

Standard on Recreational Vehicles, 2015 Edition. PMRVs built to ANSI A119.5–15 may exceed the RV exemption’s 400 square foot threshold; a manufacturer must post notice in the home that the structure is only designed for recreational purposes and is not designed as a primary residence or for permanent occupancy. The Recreation Vehicle Industry Association’s (RVIA) current seal does not satisfy HUD’s standard for the manufacturer’s notice. HUD requirements provide specifics regarding the content and prominence of the notice and which requires the notice to be prominently displayed in the unit and delivered to the consumer before the sale transaction is complete, regardless of whether the transaction occurs online or in-person. PMRV manufacturers will satisfy this requirement with two printed sheets of paper per PMRV: One in the kitchen, and one delivered to the consumer before the transaction.
