	helping, helped or continue to help]	or continue to help] me better assist the mentee
	me meet the needs identified in my	credit union in meeting their identified needs.
	application.	
2	The activities of the Cohort [are	The activities of the Cohort [are helping, helped or
	helping, helped or continue to help]	continue to help] me better assist the mentee credit
	me meet my project objectives.	union in meeting their project narratives.
3	The subject matter experts exposed	The subject matter experts exposed to through the
	to through the Cohort [are providing	Cohort [are providing or provided] information and
	or provided] information and	support that is relevant to identified needs or
	support that is relevant to identified	granted-related projects of the mentee credit union.
	needs or granted-related projects.	
4	Participation in the Cohort [is	Same as for Mentees.
	helping, helped or continue to help]	
	me develop a framework for	
	successfully collaborating or	
	partnering with other organizations.	
5	The following sessions were	Same as for Mentees. Each bullet should be rated
	beneficial to my credit union:	individually
	December: Orientation	
	January: [Topic TBD]	
	• February: [Topic TBD]	
	March: [Topic TBD]	
	April: [Topic TBD]	
	May: [Topic TBD]	
	• June: [Topic TBD]	
	• July: [Topic TBD]	
	August: [Topic TBD]	
	• September: [Topic TBD]	
	October: [Topic TBD]	
	November: [Topic TBD]	
	December: [Topic TBD]	
6	The following aspects of the Cohort	Same as for Mentees. Each bullet should be rated
	administration were well managed	individually
	 and coordinated: Overall administration 	
	Meeting frequency Meeting length	
	Meeting lengthOverall time commitment to	
	the cohort excluding the	
	mentor project	
	Level of engagement of	

 NCUA staff Level of engagement of cohort member Opportunities for input by cohort members Network building among the cohort members wing questions will be multiple choice, 	single answer questions.		
Did the Cohort exceed, meet or fall short of your expectations? • Exceeded • Met • Did not meet	Same as for Mentees.		
 The Cohort meetings were held: Too frequently Just right Not frequent enough 	Same as for Mentees.		
The length of the Cohort meetings was: • Too long • Just right • Too short	Same as for Mentees.		
 The quality of the content provided during the Cohort meetings was: Above average Average Below average 	Same as for Mentees.		
The following questions will be answered by filling in the blank.			
What was MOST useful about this Cohort?	Same as for Mentees.		
What was LEAST useful about this Cohort?	Same as for Mentees.		
What would you suggest to improve the Cohort?	Same as for Mentees.		
Please share any other comments about your experience participating in the Cohort.	Same as for Mentees.
