SUBJECT: Thank you from FNS

Dear [SFA Director],

Thank you for participating in the Survey on Operational Challenges in Child Nutrition Programs. Your responses will provide FNS with critical information on how current operational challenges in school food procurement, program administration, and program finances are affecting school districts and students in communities nationwide. Your responses will also help FNS and its partners to identify potential solutions and resources needed to support school districts in continuing to serve nutritious meals to students.

If you have any additional questions, please contact me at [CNsurveys@usda.gov](mailto:CNsurveys@usda.gov).

Sincerely,

Sarah Reinhardt
