

AES Certification Statements

As a filer of Electronic Export Information (EEI) to the Automated Export System (AES), I understand and agree to comply with the following:

- Shipments that require filing in AES include, but are not limited to:
  1. Goods valued over \$2,500 per commodity (Schedule B or HTSUSA), sent from one United States Principal Party in Interest (USPPI) to one consignee (in a single country of destination), on a single conveyance, on the same day (except non-licensed goods being exported to Canada)
  2. Goods requiring an export license regardless of value or destination
  3. Goods subject to the ITAR, but exempt from licensing requirements regardless of value or destination
  4. Used self-propelled vehicles regardless of value or destination
  5. Rough diamonds (classified under HS subheadings 7102.10, 7102.10 and 7102.31) regardless of value or destination
- The Shipment Reference Number is a unique number created by the filer to identify a specific shipment in AES. This number CAN NOT be re-used for creating a new shipment.
- The address reported for the USPPI in the AES filing must be the address where the goods begin their journey to the port of export.
- If a shipment receives a Fatal Error or if shipment information changes after the date of export, the shipment record must be retrieved, corrected and resubmitted under the same Shipment Reference Number as soon as the error or updated information is known to the filer.
- The Internal Transaction Number (ITN) is received once a shipment is accepted by the AES. The ITN, exemption or exclusion legend is required on the bill of lading, air waybill or other commercial documents as proof of filing.
- The Foreign Trade Regulations are located here:  
<http://www.census.gov/foreign-trade/regulations/index.html>
- If the goods being shipped are subject to any other government/regulatory entity, it is your responsibility to make this determination and comply accordingly.
- All information provided herein are true and correct. I understand that civil and criminal penalties, including forfeiture and sale, may be imposed for making false or fraudulent statements herein, failing to provide the requested information or for violation of U.S. laws on exportation (13 U.S.C. Sec. 305; 22 U.S.C. Sec 401; 18 U.S.C. Sec. 1001; 50 U.S.C. App. 2410)
