

FOR RELEASE AT 10:00 AM EST, MONDAY, NOVEMBER 28, 2022

**PRELIMINARY: U.S. IMPORTS FOR CONSUMPTION OF STEEL PRODUCTS,  
OCTOBER 2022**

Release Number: CB 22-194 FT-900A (22-10)

**November 28, 2022** — The U.S. Census Bureau announced today that preliminary October steel imports were \$3.2 billion (2.2 million metric tons) compared to the preliminary September totals of \$3.1 billion (2.0 million metric tons).

The October change in steel imports based on metric tonnage reflected an increase in blooms, billets, and slabs. Decreases occurred in sheets and strip; reinforcing bars; and oil country goods. Increases occurred primarily with Mexico, Germany, and the Netherlands. Decreases occurred primarily with Korea, Taiwan, and Turkey.

The year to date final statistics through September 2022 showed steel imports of 22.0 million metric tons compared with 21.1 million metric tons through September 2021. The largest commodity increases occurred with oil country goods, wire rods, and cold rolled sheets. Decreases occurred primarily in blooms, billets, and slabs. The largest country increases occurred with Mexico and India. Decreases occurred primarily with Brazil.

The November report is scheduled for release on December 28, 2022. View the full schedule at: <[www.census.gov/foreign-trade/reference/release\\_schedule.html](http://www.census.gov/foreign-trade/reference/release_schedule.html)> The full text and tables for this release can be found at <[www.census.gov/foreign-trade/Press-Release/steel\\_index.html](http://www.census.gov/foreign-trade/Press-Release/steel_index.html)>.

**EXPLANATORY NOTES**

The data in this report are preliminary and subject to revisions. Analysis of recent months for steel product imports indicates the value of preliminary data should equal about 96 percent of the final value reported in the regular monthly trade statistics report. Preliminary data reported for individual steel categories and at the individual country of origin level have been less consistently predictive of the final data reported in the regular monthly trade statistics. For further details, visit our web site at <[www.census.gov/trade](http://www.census.gov/trade)>. On the website, you can access product by country and country by product tables.
