**Instructions**

**APPLICATION FOR AMERICAN FISHERIES ACT (AFA)  
CATCHER VESSEL INSHORE cooperative PERMIT**

**IMPORTANT!**

This inshore cooperative permit application and any amendments that add or delete cooperative member vessels **must be received by** National Marine Fisheries Service (NMFS), Restricted Access Management (RAM), by **December 1** of the year prior to the year for which the cooperative permit will be in effect.

**Late applications will NOT be accepted.**

NMFS will issue an AFA inshore cooperative fishing permit to an inshore catcher vessel cooperative formed under section 1 of the Fisherman's Collective Marketing Act of 1934 (15 U.S.C. 521) for the purpose of cooperatively managing directed fishing for pollock. In and of itself, a cooperative is not an AFA entity subject to excessive harvest share limitations, unless a single person, corporation, or other business entity controls the cooperative, and the cooperative has the power to control the fishing activity of its member vessels.

### Public Burden Statement

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0648-0393. Without this approval, we could not conduct this information collection. Public reporting for this information collection is estimated to be approximately 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are required to obtain or maintain benefits and are required to manage commercial fishing efforts under 50 CFR part 679 and under section 402(a) of the Magnuson-Stevens Act (16 U.S.C. 1801, *et seq.*). Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the Assistant Regional Administrator, Sustainable Fisheries Division, NOAA National Marine Fisheries Service, P.O. Box 21668, Juneau, AK 99802-1668.

### Privacy Act Statement

**Authority:** The collection of this information is authorized under the Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C. 1801, *et seq.*

**Purpose:** NMFS is collecting this information to manage the American Fisheries Act (AFA) Program. Submission of this information is required of persons seeking to participate in the groundfish fisheries under the authority of AFA.

**Routine Uses:** NMFS will use this information to annually identify the universe of participating vessels and processors in the Bering Sea and Aleutian Islands pollock fishery prior to start of each fishing year. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a) to be shared among authorized staff for work-related purposes. Disclosure of this information is also subject to the published routine uses identified in the [Privacy Act System of Records Notice COMMERCE/NOAA-19](#), Permits and Registrations for the United States Federally Regulated Fisheries. NMFS lists AFA inshore cooperatives and member catcher vessels on its website (<https://alaskafisheries.noaa.gov/>).

**Disclosure:** Furnishing this information is required to obtain or retain benefits. Failure to provide complete and accurate information may delay or prevent participation in the AFA groundfish fisheries.
