A facility may request an exception, as specified by CMS, for quality reporting and value-based purchasing programs due to extraordinary circumstances beyond the control of the facility. Such circumstances may include (but are not limited to) natural disasters (such as a severe hurricane or flood), issues with CMS data-collection systems that directly affected the ability of facilities to submit data, or extreme circumstances that prevent facilities from electronic clinical quality measure (eCQM) or electronic health record (EHR)-based reporting. Please refer to the *Federal Register* and *Code of Federal Regulations* for program-specific rules on availability of this exception. To request an exception, please complete and submit this form.

For events affecting the submission of data, this form must be submitted within 90 calendar days of the extraordinary circumstance, except the submission of eCQMs under the Hospital Inpatient Quality Reporting Program, which has an ECE Request deadline of April 1 following the end of the reporting period. At the latest, you should submit your ECE no later than 90 days from the submission deadline for the quarter requested.

For events affecting the Hospital Value-Based Purchasing, Hospital Acquired-Condition Reduction, and Hospital Readmissions Reduction Programs, this form must be submitted **no later than 90 calendar days of the extraordinary circumstance.** At the latest, you should submit your ECE no later than 90 days from the last date of the quarter requested.

An asterisk (*) indicates required fields. All sections must be complete and specific in order for the CMS to consider the request.
