

PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: Through this information collection, ACF is gathering information to assess and evaluate whether a State TANF program meets statutorily required participation rates. Public reporting burden for this collection of information is estimated to average 8,804 hours per grantee per year, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a mandatory collection of information (42 U.S.C. § 611). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is 0970-0338 and the expiration date is XX/XX/XXXX. If you have any comments on this collection of information, please contact the Office of Family Assistance by email at TANFdata@acf.hhs.gov.

**General Instructions:** Each item (i.e. data element) needs to hold a certain number of spaces in the flat file. If your system does not automatically hold the spaces, this file layout describes the number of spaces (length) that need to be held. All items should be right-adjusted (e.g. case number = 00000012345). If an item is not applicable or no longer in use, enter the number of digits (zeros or blanks) according to the file format. For example: Tribal Code is 3 digits but is not applicable to states and territories. Therefore, you would need to enter 000 to hold the correct number of spaces. Throughout the instructions you will see the direction "Enter 000." This indicates that you must enter zeros to fill the correct amount of spaces as referenced in this workbook.
