### **NOTICES**

### **Privacy Act Statement**

Authority: 26 U.S. Code § 47 - Rehabilitation credit; 26 U.S. Code § 170 - Charitable, etc., contributions and gifts.

**Purpose:** To enable the Secretary of the Interior to evaluate the historic significance of structures and whether the rehabilitation of such structures preserves their historic character. The primary use of this information by the Secretary of the Interior will be to certify to the Secretary of the Treasury that the applicant is eligible for Federal tax incentives for historic preservation. This application is used by the Internal Revenue Service to confirm that applicants for the tax incentives have obtained the certification concerning historic structures and historic rehabilitations that are required by law.

**Routine uses:** The information will be used by the National Park Service and the State Historic Preservation Offices and disclosed to the Internal Revenue Service to determine if the applicant is eligible for Federal tax incentives.

**Disclosure:** Voluntary, however, failure to provide the requested information may prevent or impede you from receiving consideration for the requested benefit.

### **Paperwork Reduction Act Statement**

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) through the State Historic Preservation Officer in order to enable the Secretary of the Interior to gain the benefit of the State review of applications for Federal tax incentives for historic preservation by owners of historic properties. Information collected on this form, including names and all written comments, is subject to disclosure. All applicable parts of the form must be completed in order to receive consideration for the requested benefit. A Federal agency may not conduct or sponsor, and a person is not required to respond a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection and assigned it control number 1024-0009.
