Good morning,

My name is xxx, and I am with the CJIS Division’s Advisory Process Tribal Task Force. In an effort to fully understand and identify CJIS system use barriers experienced by tribal agencies, the Tribal Task Force is asking CJIS Systems Officers (CSOs) that have federally recognized tribes within their boundaries, to complete a brief questionnaire about your experiences with authorized tribal access to FBI CJIS systems via state managed connections.

The questionnaire can be accessed here: < https:insert link to the survey.> You can also cut and paste this link into any browser. All feedback is submitted to us anonymously (we do not collect IP addresses or geo-location data). If you would like to further discuss your experiences with the system, or if you have questions about the survey itself, please do not hesitate to contact me at xxx@fbi.gov or [304-625-1234](tel:304-625-1234).
