

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: XXXX-YYYY)

TITLE OF INFORMATION COLLECTION: FBI’s UCR Program Customer Satisfaction Survey

PURPOSE:

- The survey will solicit customer feedback on their satisfaction with the FBI’s UCR Program, which will be used to expand future program services and project ideas. The feedback gathered from the survey will also assist the Crime and Law Enforcement Statistics Unit (CLESU) when providing information for the United States Congress, the United States Attorney General, the Department of Justice’s Bureau of Justice Statistics, and law enforcement agencies on the relevance of the FBI’s UCR Program and the services it provides.

DESCRIPTION OF RESPONDENTS:

- The survey will be provided to external stakeholders of the FBI’s UCR Program. The stakeholders include UCR State Program managers, Criminal Justice Information Services (CJIS) Systems Officers (CSO) and state points of contact, which total 110 participants. The survey would be conducted annually.

The UCR Program is a voluntary program in which federal, state, local, tribal, and university and college law enforcement agencies participate by submitting their crime data. The data submitted is used to generate crime statistics which can then be utilized by various categories of groups and individuals to include law enforcement agencies, students, researchers, the media, and the public.
