

Instruction Sheet
ATF Form 5630.7, Special Tax Registration and Return
Firearms

General Instructions

If you are engaged in one or more of the National Firearms Act (NFA) activities listed on this form (*see definition*), you are required to file this form and pay special occupational tax before beginning business. This form is for NFA taxpayers only. You may file one return to cover several locations or several types of activity. However, you must submit a separate return for each tax period. The special occupational tax period runs from July 1 through June 30 and payment is due annually by July 1. If you do not pay on a timely basis, interest will be charged and penalties may be incurred.

If you engage in a taxable activity at more than one location, attach to your return a sheet showing your name, trade name, address and employer identification number, the complete street addresses, and the Federal Firearms License (FFL) number of all additional locations.

As evidence of tax payment, you will be issued a Special Tax Stamp, ATF Form 5630.6A, for each location and/or business. You must have an FFL for the location, appropriate to the type of activity conducted. The type of business (*individual owner, partnership, corporation*) must be the same for the taxable activity and the FFL. If a trade name is used, it must be the same on the tax stamp and the FFL.

The special tax rates listed on this form became effective January 1, 1988. If you were engaged in NFA firearms related activity prior to this date and did not pay special occupational tax, please contact the National Firearms Act Division for assistance.

Section I - Tax Identifying Information

Complete Section I, Taxpayer Identifying Information, as specified on form. Indicate if you are a new applicant, submitting a renewal or amendment, or adding a new location or class. Make sure that you put one tax year in question 2, we will not process if tax year is left blank. Your return must contain a valid FEDERAL EMPLOYER IDENTIFICATION NUMBER (FEIN). The FEIN is a unique number for business entities issued by the Internal Revenue Service (IRS). **You must have an FEIN whether you are an individual owner, partnership, corporation, or agency of the government.** If you do not have an FEIN, you may apply online at <https://www.irs.gov/businesses/small-businesses-self-employed/apply-for-an-employer-identification-number-ein-online>.

Section II - Tax Computation

To complete Section II, enter the number of locations in Col. (11d) on the appropriate line(s) and multiply by the tax rate, Col. (11c). Insert the tax due in Col. (11e). Compute the taxes due for each class and enter the total amount due in the block "Total Tax Due".

Instructions for Reduced Rate Taxpayers

The reduced rates for certain tax classes, indicated with an asterisk (*) in Section II, apply only to those taxpayers whose total gross receipts for your most recent income tax year are less than \$500,000 (*not just receipts relating to the activity subject to special occupational tax*). However, if you are a member of a controlled group as defined in section 5061(e)(3) of the Internal Revenue Code, you are not eligible for this reduced rate unless the total gross receipts for the entire group are less than \$500,000. If your business is beginning an activity subject to special tax for the first time, you may qualify for a reduced rate in your initial tax year if gross receipts for the business (*or the entire control group, if a member of a control group*) were under \$500,000 the previous year. If you are eligible for the reduced rate, check item 15 in Section III and compute your tax using the reduced rate in Section II.

Section III - Business Registration

Please complete the ownership information in Section III. Supply the information specified in item 14 for each individual owner, partner or

responsible person. For a corporation, partnership or association, a responsible person is anyone with the power to control the management policies or buying or selling practices pertaining to firearms. For a corporation, association or similar organization, it also means any person owning 10 percent or more of the outstanding stock in the business.

Changes in Operations

For a change of address, location or trade name, an amended ATF Form 5630.7 must be filed and approved before the change is made. Return your Special Tax Stamp, ATF Form 5630.6A, along with the completed ATF Form 5630.7 to: NFA Division-SOT, Bureau of ATF, 244 Needy Road, Martinsburg, WV 25405 and an amended ATF Form 5630.6A will be issued. All taxpayers with such changes must return their FFL to the ATF Federal Firearms Licensing Center (*address listed on FFL*) for amendment.

If special taxpayers do not register these changes within the appropriate time frames, additional tax and interest will be charged and penalties may be incurred. For a change in ownership or control of an activity, consult the ATF Federal Firearms Licensing Center, at 866-662-2750, before beginning the activity. If the Federal firearms licensee discontinues business and retains NFA firearms, this retention may be in violation of law. The licensee should check with State or local authorities.

Taxpayer Reminder

This is an annual tax due before starting business and by July 1 each year after that. After your initial payment of this tax, you should receive a "renewal" registration and return each year in the mail prior to the due date. However, if you do not receive a renewal form, you are still liable for the tax and should contact the ATF National Firearms Act Division noted in the instructions to obtain a Special (Occupational) Tax Registration and Return.
