

Semiannual Suitability Request

Instructions: The purpose of this form is to request continued use of a confidential informant (CI) during the January and July semiannual suitability review periods. A semiannual suitability review is required when the CI has been cumulatively active for 90 days or more. However, if the CI qualifies for a long-term suitability review, the semiannual suitability review is not conducted. The ATF special agent (SA) or ATF task force officer (TFO) serving as the primary handler must interview the CI and conduct indices checks to complete this form. Handwritten forms are not acceptable. Information obtained must be compared against the Initial Suitability Request, Reactivation Suitability Request, or Semiannual Suitability Request, whichever was most recently completed. The Semiannual Suitability Request must be started by the primary handler to begin the workflow process.
