

Long-Term Suitability Request

Instructions: The purpose of this form is to request continued use of a confidential informant (CI) during the January and July review period when a long-term suitability review is required. When due, the Long-Term Suitability Request is completed in lieu of the Semiannual Suitability Request. The ATF special agent (SA) or ATF task force officer (TFO) serving as the primary handler must interview the CI and conduct indices checks to complete this form. Handwritten forms are not acceptable. Information obtained must be compared against the Reactivation Suitability Request and prior Semiannual Suitability Request, whichever was most recently completed. The Long-Term Suitability Request must be submitted by the primary handler to begin the workflow process.
