Investment Justification

Part I – Investment Heading

1. Organization Name: Use your organization's legal name as identified on your SAM.gov record.
2. State or Territory in which the project will be **implemented**. This is not always the applicable state or territory.
3. Type of Organization: Select from dropdown list. Note that quasi-government organizations are included.
4. Classification of organization: Select from the dropdown list. Note that these classifications are for informational purposes only.
5. Captain of the Port (COTP) Zone: COTP zone in which the project will be implemented. If the project is not in a COTP zone, select "None".

Part II – Basic Project Information

6. Project Title: Project titles should be brief and coincide with the title used on the SF424.
7. Project Description: Provide a summary of the services and/or equipment for which funding is requested.
8. Has this project been funded by PSGP or another Federal assistance program in the last 5 years?
9. If so, when was the last time it was funded? Provide a year funding received.
10. Which program funded this capability? Note the program either from FEMA or other grant program.
11. Provide justification that supports funding this project again. This will help reviewers determine if the project is a duplicate.
12. Project Category: Select from the dropdown list. This list is the DHS POETE structure of 'Port Security Grant Program'.
13. New Capability or Maintenance/Sustainment: Select from dropdown list. See PGM for details.
14. Is this project exempt from the required cost share outlined in 46 U.S.C. §70107: See NC 46 U.S.C. §70107.
15. If yes, identify exemption: Select from dropdown list, see NOFO and PGM for details. See NOFO and PGM for details.
16. Federal Share: This is the amount of funds being sought through PSGP. The Federal share is the amount of funds being sought through PSGP.
17. Cost Share: This is the recipient share of the total project cost. (see NOFO and PGM for details.)
18. Total Project Cost: This is the total cost required to complete the project and should be reported in the budget worksheet.

Part III – Eligibility Information

19. Which plan(s) applies to your organization:

Final Steps

Step 1- Review all of your IJ's and Budgets. Make sure that they are completely filled out and accurate.

Tips- Make sure that your total money on your IJ matches your total money on your budget. Be sure that you are Private (50%) or Public (25%)

Step 2- After reviewing select Y after you review it and concluded it is complete. If it is incomplete select N. If you didn't complete type in N/A as your answer

Step 3- DO NOT password protect the file. Save the file. Name it as follows: OrganizationName_IJBudget this document

Step 4- Submit the Excel Spreadsheet the way it is. Do NOT make it a PDF. Submit it as 1 document no matter how many sheets it has
