FINDINGS AND DECLARATION OF PURPOSE

SEC. 2. 【42 U.S.C. 4002】 (a) The Congress finds that—

(1) annual losses throughout the Nation from floods and mudslides are increasing at an alarming rate, largely as a result of the accelerating development of, and concentration of population in, areas of flood and mudslides hazards;

(2) the availability of Federal loans, grants, guaranties, insurance, and other forms of financial assistance are often determining factors in the utilization of land and the location and construction of public and of private industrial, commercial, and residential facilities;

(3) property acquired or constructed with grants or other Federal assistance may be exposed to risk of loss through floods, thus frustrating the purpose for which such assistance was extended;

(4) Federal instrumentalities insure or otherwise provide financial protection to banking and credit institutions whose assets include a substantial number of mortgage loans and other indebtedness secured by property exposed to loss and damage from floods and mudslides;

(5) the Nation cannot afford the tragic losses of life caused annually by flood occurrences, nor the increasing losses of property suffered by flood victims, most of whom are still inadequately compensated despite the provision of costly disaster relief benefits; and

(6) it is in the public interest for persons already living in floodprone areas to have both an opportunity to purchase flood insurance and access to more adequate limits of coverage, so that they will be indemnified for their losses in the event of future flood disasters.

(b) The purpose of this Act, therefore, is to—

(1) substantially increase the limits of coverage authorized under the national flood insurance program;

(2) provide for the expeditious identification of, and the dissemination of information concerning, flood-prone areas;

(3) require States or local communities, as a condition of future Federal financial assistance, to participate in the flood insurance program and to adopt adequate flood plain ordinances with effective enforcement provisions consistent with Federal standards to reduce or avoid future flood losses; and

(4) require the purchase of flood insurance by property owners who are being assisted by Federal programs or by federally supervised, regulated, or insured agencies or institutions in the acquisition or improvement of land or facilities located or to be located in identified areas having special flood hazards.

not be required beyond the term of the loan. The requirement of maintaining flood insurance shall apply during the life of the property, regardless of transfer of ownership of such property.

(b) REQUIREMENT FOR MORTGAGE LOANS.—

(1) REGULATED LENDING INSTITUTIONS.—Each Federal entity for lending regulation (after consultation and coordination with the Financial Institutions Examination Council established under the Federal Financial Institutions Examination Council Act of 1974) shall by regulation direct regulated lending institutions—

(A) not to make, increase, extend, or renew any loan secured by improved real estate or a mobile home located or to be located in an area that has been identified by the Administrator as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968, unless the building or mobile home and any personal property securing such loan is covered for the term of the loan by flood insurance in an amount at least equal to the outstanding principal balance of the loan or the maximum limit of coverage made available under the Act with respect to the particular type of property, whichever is less; and

(B) to accept private flood insurance as satisfaction of the flood insurance coverage requirement under subparagraph (A) if the coverage provided by such private flood insurance meets the requirements for coverage under such subparagraph.

(2) FEDERAL AGENCY LENDERS.—A Federal agency lender may not make, increase, extend, or renew any loan secured by improved real estate or a mobile home located or to be located in an area that has been identified by the Administrator as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968, unless the building or mobile home and any personal property securing such loan is covered for the term of the loan by flood insurance in the amount provided in paragraph (1)(A). Each Federal agency lender shall accept private flood insurance as satisfaction of the flood insurance coverage requirement under the preceding sentence if the flood insurance coverage provided by such private flood insurance meets the requirements for coverage under such sentence. Each Federal agency lender shall issue any regulations necessary to carry out this paragraph. Such regulations shall be consistent with and substantially identical to the regulations issued under paragraph (1)(A).

(3) GOVERNMENT-SPONSORED ENTERPRISES FOR HOUSING.—The Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation shall implement procedures reasonably designed to ensure that, for any loan that is—

(A) secured by improved real estate or a mobile home located in an area that has been identified, at the time of the origination of the loan or at any time during the term of the loan, by the Administrator as an area having special

flood hazards and in which flood insurance is available under the National Flood Insurance Act of 1968, and

(B) purchased by such entity, the building or mobile home and any personal property securing the loan is covered for the term of the loan by flood insurance in the amount provided in paragraph (1)(A). The Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation shall accept private flood insurance as satisfaction of the flood insurance coverage requirement under paragraph (1)(A) if the flood insurance coverage provided by such private flood insurance meets the requirements for coverage under such paragraph and any requirements established by the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, respectively, relating to the financial solvency, strength, or claims-paying ability of private insurance companies from which the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation will accept private flood insurance.

(4) APPLICABILITY.—

(A) EXISTING COVERAGE.—Except as provided in subparagraph (B), paragraph (1) shall apply on the date of enactment of the Riegle Community Development and Regulatory Improvement Act of 1994.³

(C) CONTINUED EFFECT OF REGULATIONS.—Notwithstanding any other provision of this subsection, the regulations to carry out paragraph (1), as in effect immediately before the date of enactment of the Riegle Community Development and Regulatory Improvement Act of 1994⁴, shall continue to apply until the regulations issued to carry out paragraph (1) as amended by section 522(a) of such Act take effect.

(5) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to supersede or limit the authority of a Federal entity for lending regulation, the Federal Housing Finance Agency, a Federal agency lender, the Federal National Mortgage Association, or the Federal Home Loan Mortgage Corporation to establish requirements relating to the financial solvency, strength, or claims-paying ability of private insurance companies from which the entity or agency will accept private flood insurance.

(ii) flood insurance that provides the same level of coverage as a standard flood insurance policy under the national flood insurance program may be available from a private insurance company that issues policies on behalf of the company; and

(iii) the borrower is encouraged to compare the flood insurance coverage, deductibles, exclusions, conditions and premiums associated with flood insurance policies issued on behalf of the national flood insurance program and policies issued on behalf of private insurance companies and to direct inquiries regarding the availability, cost, and comparisons of flood insurance coverage to an insurance agent.

(B) RULE OF CONSTRUCTION.—Nothing in this paragraph shall be construed as affecting or otherwise limiting the authority of a Federal entity for lending regulation to approve any disclosure made by a regulated lending institution for purposes of complying with subparagraph (A).

(7) PRIVATE FLOOD INSURANCE DEFINED.—In this subsection, the term “private flood insurance” means an insurance policy that—

(A) is issued by an insurance company that is—

(1) STATE-OWNED PROPERTY.—Notwithstanding the other provisions of this section, flood insurance shall not be required on any State-owned property that is covered under an adequate State policy of self-insurance satisfactory to the Administrator. The Administrator shall publish and periodically revise the list of States to which this subsection applies.

(2) SMALL LOANS.—Notwithstanding any other provision of this section, subsections (a) and (b) shall not apply to any loan having—

(A) an original outstanding principal balance of \$5,000 or less; and

(B) a repayment term of 1 year or less.

(B) LIMITATION.—Except as may be required under applicable State law, a Federal entity for lending regulation may not direct or require a regulated lending institution to deposit premiums or fees for flood insurance under the Na-

(i) if—

(I) the regulated lending institution has total assets of less than \$1,000,000,000; and

(II) on or before the date of enactment of the Biggert-Waters Flood Insurance Reform Act of 2012, the regulated lending institution—

(bb) did not have a policy of consistently and uniformly requiring the deposit of taxes, insurance premiums, fees, or any other charges in an escrow account for loans secured by residential improved real estate or a mobile home; or

(I) is in a junior or subordinate position to a senior lien secured by the same residential improved real estate or mobile home for which flood insurance is being provided at the time of the origination of the loan;

(II) is secured by residential improved real estate or a mobile home that is part of a condominium, cooperative, or other project development, if the residential improved real estate or mobile home is covered by a flood insurance policy that—

(aa) meets the requirements that the regulated lending institution is required to enforce under subsection (b)(1);

(bb) is provided by the condominium association, cooperative, homeowners association, or other applicable group; and

(IV) is a home equity line of credit;

(V) is a nonperforming loan; or

(VI) has a term of not longer than 12 months.

(2) FEDERAL AGENCY LENDERS.—Each Federal agency lender shall by regulation require and provide for escrow and payment of any flood insurance premiums and fees relating to residential improved real estate and mobile homes securing loans made by the Federal agency lender under the circumstances and in the manner provided under paragraph (1). Any regula-

(3) **APPLICABILITY OF RESPA.**—Escrow accounts established pursuant to this subsection shall be subject to the provisions of section 10 of the Real Estate Settlement Procedures Act of 1974.

(4) **DEFINITION.**—For purposes of this subsection, the term “residential improved real estate” means improved real estate for which the improvement is a residential building.

(e) **PLACEMENT OF FLOOD INSURANCE BY LENDER.**—

(1) **NOTIFICATION TO BORROWER OF LACK OF COVERAGE.**—If, at the time of origination or at any time during the term of a loan secured by improved real estate or by a mobile home located in an area that has been identified by the Administrator (at the time of the origination of the loan or at any time during the term of the loan) as an area having special flood hazards and in which flood insurance is available under the National Flood Insurance Act of 1968, the lender or servicer for the loan determines that the building or mobile home and any personal property securing the loan is not covered by flood insurance or is covered by such insurance in an amount less than the amount required for the property pursuant to paragraph (1), (2), or (3) of subsection (b), the lender or servicer shall notify the borrower under the loan that the borrower should obtain, at the borrower’s expense, an amount of flood insurance for the building or mobile home and such personal property that is not less than the amount under subsection (b)(1), for the term of the loan.

(2) **PURCHASE OF COVERAGE ON BEHALF OF BORROWER.**—If the borrower fails to purchase such flood insurance within 45 days after notification under paragraph (1), the lender or servicer for the loan shall purchase the insurance on behalf of the borrower and may charge the borrower for the cost of premiums and fees incurred by the lender or servicer for the loan in purchasing the insurance, including premiums or fees incurred for coverage beginning on the date on which flood insurance coverage lapsed or did not provide a sufficient coverage amount.

(4) SUFFICIENCY OF DEMONSTRATION.—For purposes of confirming a borrower's existing flood insurance coverage, a lender or servicer for a loan shall accept from the borrower an insurance policy declarations page that includes the existing flood insurance policy number and the identity of, and contact information for, the insurance company or agent.

(5) REVIEW OF DETERMINATION REGARDING REQUIRED PURCHASE.—

(A) IN GENERAL.—The borrower and lender for a loan secured by improved real estate or a mobile home may jointly request the Administrator to review a determination of whether the building or mobile home is located in an area having special flood hazards. Such request shall be supported by technical information relating to the improved real estate or mobile home. Not later than 45 days after the Administrator receives the request, the Administrator shall review the determination and provide to the borrower and the lender with a letter stating whether or not the building or mobile home is in an area having special flood hazards. The determination of the Administrator shall be final.

(B) EFFECT OF DETERMINATION.—Any person to whom a borrower provides a letter issued by the Administrator pursuant to subparagraph (A), stating that the building or mobile home securing the loan of the borrower is not in an area having special flood hazards, shall have no obligation under this title to require the purchase of flood insurance for such building or mobile home during the period determined by the Administrator which shall be specified in the letter and shall begin on the date on which such letter is provided.

(C) EFFECT OF FAILURE TO RESPOND.—If a request under subparagraph (A) is made in connection with the origination of a loan and the Administrator fails to provide a letter under subparagraph (A) before the later of (i) the expiration of the 45-day period under such subparagraph, or (ii) the closing of the loan, no person shall have an obligation under this title to require the purchase of flood insurance for the building or mobile home securing the loan until such letter is provided.

(6) APPLICABILITY.—This subsection shall apply to all loans outstanding on or after the date of enactment of the Riegle Community Development and Regulatory Improvement Act of 1994.⁶

(A) making, increasing, extending, or renewing loans in violation of—

(i) the regulations issued pursuant to subsection (b) of this section;

(ii) the escrow requirements under subsection (d) of this section; or

(iii) the notice requirements under section 1364 of the National Flood Insurance Act of 1968; or

(B) failure to provide notice or purchase flood insurance coverage in violation of subsection (e) of this section.

(3) CIVIL MONETARY PENALTIES AGAINST GSE'S.—

(A) IN GENERAL.—If the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation is found by the Director of the Federal Housing Finance Agency to have a pattern or practice of purchasing loans in violation of the procedures established pursuant to subsection (b)(3), the Director of such Office shall assess a civil penalty against such enterprise in the amount provided under paragraph (5) of this subsection.

(B) DEFINITION.—For purposes of this subsection, the term “enterprise” means the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation.

(6) LENDER COMPLIANCE.—Notwithstanding any State or local law, for purposes of this subsection, any regulated lending institution that purchases flood insurance or renews a contract for flood insurance on behalf of or as an agent of a borrower of a loan for which flood insurance is required shall be considered to have complied with the regulations issued under subsection (b).

(7) EFFECT OF TRANSFER ON LIABILITY.—Any sale or other transfer of a loan by a regulated lending institution that has committed a violation under paragraph (1), that occurs subsequent to the violation, shall not affect the liability of the transferring lender with respect to any penalty under this subsection. A lender shall not be liable for any violations relating to a loan committed by another regulated lending institution that previously held the loan.

(8) DEPOSIT OF PENALTIES.—Any penalties collected under this subsection shall be paid into the National Flood Mitigation

Fund under section 1367 of the National Flood Insurance Act of 1968.

(10) **STATUTE OF LIMITATIONS.**—No penalty may be imposed under this subsection after the expiration of the 4-year period beginning on the date of the occurrence of the violation for which the penalty is authorized under this subsection.

(g) **OTHER ACTIONS TO REMEDY PATTERN OF NONCOMPLIANCE.**—

(1) **AUTHORITY OF FEDERAL ENTITIES FOR LENDING REGULATION.**—A Federal entity for lending regulation may require a regulated lending institution to take such remedial actions as are necessary to ensure that the regulated lending institution complies with the requirements of the national flood insurance program if the Federal agency for lending regulation makes a determination under paragraph (2) regarding the regulated lending institution.

(2) **DETERMINATION OF VIOLATIONS.**—A determination under this paragraph shall be a finding that—

(A) the regulated lending institution has engaged in a pattern and practice of noncompliance in violation of the regulations issued pursuant to subsection (b), (d), or (e) or the notice requirements under section 1364 of the National Flood Insurance Act of 1968; and

(B) the regulated lending institution has not demonstrated measurable improvement in compliance despite the assessment of civil monetary penalties under subsection (f).

(h) **FEE FOR DETERMINING LOCATION.**—Notwithstanding any other Federal or State law, any person who makes a loan secured by improved real estate or a mobile home or any servicer for such a loan may charge a reasonable fee for the costs of determining whether the building or mobile home securing the loan is located in an area having special flood hazards, but only in accordance with the following requirements:

(1) **BORROWER FEE.**—The borrower under such a loan may be charged the fee, but only if the determination—

(A) is made pursuant to the making, increasing, extending, or renewing of the loan that is initiated by the borrower;

(B) is made pursuant to a revision or updating under section 1360(f)⁷ of the floodplain areas and flood-risk zones or publication of a notice or compendia under subsection (h) or (i) of section 1360⁷ that affects the area in which the improved real estate or mobile home securing the loan is located or that, in the determination of the Administrator, may reasonably be considered to require a determination under this subsection; or

⁷Probably intended to refer to section 1360 of the National Flood Insurance Act of 1968, which is set forth, post, in this compilation.

(C) results in the purchase of flood insurance coverage pursuant to the requirement under subsection (e)(2).

TITLE II—DISASTER MITIGATION REQUIREMENTS

NOTIFICATION TO FLOOD-PRONE AREAS

SEC. 201. [42 U.S.C. 4105] (a) Not later than six months following the enactment of this title, the Administrator shall publish information in accordance with subsection 1360(1) of the National Flood Insurance Act of 1968, and shall notify the chief executive officer of each known flood-prone community not already participating in the national flood insurance program of its tentative identification as a community containing one or more areas having special flood hazards.

(b) After such notification, each tentatively identified community shall either (1) promptly make proper application to participate in the national flood insurance program or (2) within six months submit technical data sufficient to establish to the satisfaction of the Administrator that the community either is not seriously flood prone or that such flood hazards as may have existed have been corrected by floodworks or other flood control methods. The Administrator may, in his discretion, grant a public hearing to any community with respect to which conflicting data exist as to the nature and extent of a flood hazard. If the Administrator decides not to hold a hearing, the community shall be given an opportunity to submit written and documentary evidence. Whether or not such hearing is granted, the Administrator's final determination as to the existence or extent of a flood hazard area in a particular community shall be deemed conclusive for the purposes of this Act if supported by substantial evidence in the record considered as a whole.

(c) As information becomes available to the Administrator, concerning the existence of flood hazards in communities not known to be flood prone at the time of the initial notification provided for by subsection (a) of this section he shall provide similar notifications to the chief executive officers of such additional communities, which shall then be subject to the requirements of subsection (b) of this section.

(d) Formally identified flood-prone communities that do not qualify for the national flood insurance program within one year after such notification or by the date specified in section 202, whichever is later, shall thereafter be subject to the provisions of that section relating to flood-prone communities which are not participating in the program.

(e) The Administrator is authorized to establish administrative procedures whereby the identification under this section of one or more areas in the community as having special flood hazards may be appealed to the Administrator by the community or any owner or lessee of real property within the community who believes his

property has been inadvertently included in a special flood hazard area by the identification. When, incident to any appeal under this subsection, the owner or lessee of real property or the community, as the case may be, incurs expense in connection with the services of surveyors, engineers, or similar services, but not including legal services, in the effecting of an appeal which is successful in whole or part, the Administrator shall reimburse such individual or community to an extent measured by the ratio of the successful portion of the appeal as compared to the entire appeal and applying such ratio to the reasonable value of all such services, but no reimbursement shall be made by the Administrator in respect to any fee or expense payment, the payment of which was agreed to be contingent upon the result of the appeal. There is authorized to be appropriated for purposes of implementing this subsection not to exceed \$250,000.

EFFECT OF NONPARTICIPATION IN FLOOD INSURANCE PROGRAM

SEC. 202. [42 U.S.C. 4106] (a) No Federal officer or agency shall approve any financial assistance for acquisition or construction purposes on and after July 1, 1975, for use in any area that has been identified by the Administrator as an area having special flood hazards unless the community in which such area is situated is then participating in the national flood insurance program.

(b) In addition to the requirements of section 1364 of the National Flood Insurance Act of 1968, each Federal entity for lending regulation shall by regulation require the regulated lending institutions described in such section, and each Federal agency lender shall issue regulations requiring the Federal agency lender,⁸ described in such section to notify (as a condition of making, increasing, extending, or renewing any loan secured by property described in such section) the purchaser or lessee of such property of whether, in the event of a disaster caused by flood to such property, Federal disaster relief assistance will be available to such property.

AUTHORITY TO ISSUE REGULATIONS

SEC. 205. [42 U.S.C. 4128] (a) The Administrator is authorized to issue such regulations as may be necessary to carry out the purpose of this Act.

(b) The head of each Federal agency that administers a program of financial assistance relating to the acquisition, construction, reconstruction, repair, or improvement of publicly or privately owned land or facilities, and each Federal instrumentality responsible for the supervision, approval, regulation, or insuring of banks, savings and loan associations, or similar institutions, shall, in cooperation with the Administrator, issue appropriate rules and regulations to govern the carrying out of the agency's responsibilities under this Act.

⁸ So in law.

CONSULTATION WITH LOCAL OFFICIALS

SEC. 206. [42 U.S.C. 4107] In carrying out his responsibilities under the provisions of this title and the National Flood Insurance Act of 1968 which relate to notification to and identification of flood-prone areas and the application of criteria for land management and use, including criteria derived from data reflecting new developments that may indicate the desirability of modifying elevations based on previous flood studies, the Administrator shall establish procedures assuring adequate consultation with the appropriate elected officials of general purpose local governments, including but not limited to those local governments whose prior eligibility under the program has been suspended. Such consultations shall include, but not be limited to, fully informing local officials at the commencement of any flood elevation study or investigation undertaken by any agency on behalf of the Administrator concerning the nature and purpose of the study, the areas involved, the manner in which the study is to be undertaken, the general principles to be applied, and the use to be made of the data obtained. The Administrator shall encourage local officials to disseminate information concerning such study widely within the community, so that interested persons will have an opportunity to bring all relevant facts and technical data concerning the local flood hazard to the attention of the agency during the course of the study.
