
APPENDIX III-6

FORM HUD 11705 - SCHEDULE OF SUBSCRIBERS AND GINNIE MAE GUARANTY AGREEMENT

Public reporting burden for this collection of information is estimated to average 3 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number. The information is required by Sec. 306(g) of the National Housing Act or by Ginnie Mae Handbook 5500.3, Rev.1. The information collected will not be disclosed outside the Department except as required by law.

Applicability: Ginnie Mae I MBS Program and Ginnie Mae II MBS Program. This form and these instructions should be used only by Issuers submitting pools in paper submission format. Issuers using GinnieNET to submit pools and loan packages must follow the instructions set forth on GinnieNET. HMBS pools may only be transmitted electronically through GinnieNET, using the file format described in Appendix III-28 for form HUD 11705H, Schedule of Subscribers and Ginnie Mae Guaranty Agreement.

Purpose: To establish the contract between the Issuer and Ginnie Mae and provide a listing of subscribers and other information needed to prepare MBS.

Prepared by: Issuer.

Prepared in: Quadruplicate. Three copies must be executed with original signatures.

Distribution: The Issuer must execute and provide to the PPA three copies for each pool. The Issuer must retain the fourth copy. Upon execution by the PPA on behalf of Ginnie Mae, the PPA will return one of the executed copies to the Issuer.

Completion

Instructions: The circled numbers on the illustrated form correspond with the numbers listed below. If more than one page is required to list the subscribers to a pool, all pages must be completed with all the required information listed below.

1. Enter the total number of pages required for listing all subscribers.
2. Enter the full legal name of the Issuer.
3. Enter the complete mailing address of the Issuer, including zip code.
4. Enter the pool employer identification number. See Section 10-9 of the Ginnie Mae MBS Guide.
5. Enter the Issuer ID number assigned by Ginnie Mae.
6. Enter the first day of the month of issue. Fill all otherwise unused spaces with 0's, using the following format where, for example, the issue date is March 1, 2002: |0|3|0|1|0|2|.
7. Enter the security index: "CMT" for the Constant Maturity Treasury Index or "LIB" for the London Interbank Offered Rate.

-
8. Enter the interest rate of the security carried out to three decimal places. Fill all otherwise unused spaces with 0's, using the following format where, for example, the security rate is 9.5 percent: 09|5|0|0|.
- 8a. For AR, AQ, AT, AF, AS, AX, RL, QL, TL, FL, FB, SL or XL loan packages or pools, enter the security margin carried out to three decimal places. Fill all otherwise unused spaces with 0's, using the following format where, for example, the security margin is 1.5 percent : 0|1|5|0|0|.
9. For Ginnie Mae I pools, enter the 15th day of the month following the month of issue. For Ginnie Mae II pools, enter the 20th day of the month following the month of issue. Follow the format specified in instruction 6 above for entering the date.
10. Enter .06 percent, i.e.: 0|0|0|6| for AR, AQ, AT, AF, AS, AX, RL, QL, TL, FL, FB, SL or XL, GP/GT, GA/GD, and SN pools, unless a lower fee is appropriate (see Section 6-2(C) of the Ginnie Mae MBS Guide); .30 percent, i.e.: 0|0|3|0| for MH pools; and .13 percent, i.e.: 0|0|1|3| for PL, PN, LM, LS, RX, CL, and CS pools.
11. **DO NOT MAKE ANY ENTRY IN THIS SPACE.** The PPA will complete this entry with the 4 digit multiple Issuer pool number once the pool is formed.
12. Enter the total unpaid balance of the mortgages included in the pool or loan package, without cents. For example, show \$1,234,567.89 as \$1,234,568.00.
13. Enter the final maturity date of securities. The date will depend upon the method used in establishing the pool, as follows:
- (a) Under the concurrent dates method (CD) of pooling, the final maturity date of the securities is 15 days (under Ginnie Mae I) or 20 days (under Ginnie Mae II) after the due date of the last maturing pooled mortgage. Issuers must use this method for all Ginnie Mae II pools or loan packages except for manufactured home loan pools or loan packages (except in the case of conversions of Ginnie Mae I internal reserve pools to the Ginnie Mae II program.)
- (b) Under the internal reserve method (IR) of pooling, the final maturity date of the securities is 45 days (under Ginnie Mae I) or 50 days (under Ginnie Mae II) after the due date of the last maturing pooled mortgage. The IR method must be used for manufactured home pools or loan packages under both the Ginnie Mae I and Ginnie Mae II programs.
- Follow the format specified in instruction 6 above for entering the date.
14. Enter the number from the listing of pre-assigned pool numbers obtained from Ginnie Mae. If the pool is to be formed under Ginnie Mae I or is to be a custom pool under Ginnie Mae II, this number will refer to the Issuer's pool. If the pooled mortgages are to become part of a multiple Issuer pool under Ginnie Mae II, this number will refer to the Issuer's loan package number.
15. Enter type of issue using following codes:
- | | |
|----------------------------|---|
| Ginnie Mae I: | X |
| Ginnie Mae II: Custom pool | C |
