The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on May 30, 2023 at 88 FR 34514.

A. Overview of Information Collection

Title of Information Collection: Allocation of Operating Funds under the Operating Fund Formula: Data Collection.

OMB Approval Number: 2577-0029.

Type of Request: Extension of currently approved collections.

Form Number: HUD-52722, HUD-52723, and HUD-52719.

Description of the need for the information and proposed use: Public

Housing Agencies (PHAs) use this information in budget submissions which are reviewed and approved by HUD field offices as the basis for obligating the operating fund grant. This information is necessary to calculate the eligibility for the operating fund grant under the Operating Funding Program regulations, as amended. The Operating Fund is designed to provide the amount of operating funds needed for well-managed PHAs. PHAs submit the information electronically with these forms.

HUD collects information for the HUD-52723 and HUD-52722 through web-based forms in the Operating Fund Web Portal. HUD discontinued using VBA enhanced Excel tools to collect this data after CY 2022. Web-based forms improve the availability of the forms to PHAs, improve data integrity, and secure transfer of the data from the PHA to HUD. Web-based forms should not increase the burden to complete.

HUD executed the collection of the HUD-52719: Small Rural Frozen Rolling Base (SRFRB) Election and Revision

form to implement Section 209(b) of the Economic Growth, Regulatory Relief, and Consumer Protection Act, Public Law 115-174. SRFRB allows eligible small and rural PHAs to freeze a utility's three-year rolling base consumption that is used to calculate Operating Fund grants from one to twenty years. With this form PHAs elect to participate, select the utility, calculate rolling base consumption, and select the term.
