Workbook Structure

Do not directly input data into this tab.

Most of the tabs in this workbook are data input tabs (12). These tabs have a few summation calculations with Summations from 2 input tabs ('Commission and Revenue Sharing' and 'Company-Wide Information') flow in Summations from all tabs flow into this 'Color Coding & Checks' tab.

Cell Color Coding

Interpretation

Gray	Informational - Field names, row names, fillers. Do not enter data
No color	Numeric value - Enter only positive numbers or zero, with except
No color	Dropdown - Make a selection from a dropdown list, e.g., tax sect
No color	N/A populated by FCC - Not Available for data entry means leave
Yellow	Formula - Do not change, delete or overwrite any FCC formulas v
Green	Formulas that check for consistency - This tab checks the formula

* If the Company's account balance for an asset, contra asset, liability, contra liability, revenue, contra revenue opposite of its expected debit or credit balance, report that balance as a negative number on the Excel temp accumulated deferred income taxes is a credit balance, representing a tax debt that will need to be paid in the future for accumulated deferred income taxes. If, instead, the account balance for the accumulated deferred income tax payment or advance payment of income taxes, report that balance as a negative number.

** e.g., Sum of values for facilities = Company-wide value. See examples below.

Formula Checks

The following checks will improve inter-tab consistency. If the difference (or percent difference) in formula values from 2 tabs is not zero, the provider should perform all similar checks. See examples below. Review and revise the reported data to eliminate any inconsistencies.

FCC NOTICE REQUIRED BY THE PAPERWORK REDUCTION ACT

We have estimated that each ICS provider's response to Form 2303(a) (consisting of Word and Excel Templates) will take 260 minutes. This includes the time to read the instructions, look through existing records, gather and maintain the required data, and complete and review the response. We estimate that it will take each provider to: (a) submit audited financial statements or reports, or similar documentation, for 2022, to the extent they are required by the Commission; (b) respond to any Commission requirement that the provider clarify or supplement its response to the data collection; and (c) implement this collection and make such records available to the Commission upon request. If you have any comments on this collection and reduce the burden it causes you, please write the Federal Communications Commission, AMD-PPM, Washington, DC 20541 (3060-1314). We will also accept your comments via the Internet if you send them to pra@fcc.gov. Please **DO NOT SEND COMMENTS TO ANY OTHER ADDRESS**. Remember—you are not required to respond to a collection of information sponsored by the Federal government, unless it displays a currently valid OMB control number or if we fail to provide you with this notice. The OMB Control Number of 3060-1314.

THE FOREGOING NOTICE IS REQUIRED BY THE PAPERWORK REDUCTION ACT OF 1995, P.L. 104-13,
