

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0579-XXXX. The time required to complete this information collection is estimated to average 3–8 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collected.

OMB Approved

## OPINION SURVEY

Hello,

The United States Department of Agriculture (USDA), Colorado State University (CSU), and Corona Insights are conducting a study of households.

We would like you to take a short online survey. Most participants will take between 3 minutes and 8 minutes to complete this survey. If you decide to participate in this study, you may withdraw your consent and stop participation at any time without penalty.

The information you provide will be protected and will not be disclosed to the public to the extent that it satisfies the criteria for exemption under the Freedom of Information Act (FOIA), 5 U.S.C. Sec. 552. USDA will protect your information in accordance with its privacy and security policies and procedures, per Title 7 CFR Subpart G. We will not collect your name or personal identifiers other than county and zip code. Deidentified, individual data will be shared with the Centers for Disease Control and Prevention (CDC) for a further understanding of household operations. Otherwise, only combined and summarized data from participants will be shared or used in a report. Any information you provide will be used for this study only; we will not use or distribute the data you provide for any other research studies. It is not possible to identify all potential risks in research procedures, but we have taken reasonable safeguards to minimize any known and potential (but unknown) risks.

Through this study, we hope to gain more knowledge about household operations.

If you have any questions about the research, please contact Matt Bruce at [matt@coronainsights.com](mailto:matt@coronainsights.com) or 303-577-2457. Or you may contact Becca Jablonski at [becca.jablonski@colostate.edu](mailto:becca.jablonski@colostate.edu). If you have any questions about your rights as a volunteer in this research, contact the CSU IRB at [CSU\\_IRB@colostate.edu](mailto:CSU_IRB@colostate.edu) or 970-491-1553.

To indicate your consent to participate in this research and to continue to the survey, please click the “Next” (>) button.
