The U.S. Census Bureau received your response to the Boundary and Annexation Survey (BAS) indicating that your government has boundary changes to report.

Action Steps:

- **Prepare boundary updates.** On the BAS website, you will find resources and detailed instructions for creating a BAS submission.

Please respond to BAS with a “No Changes” response if, after reviewing your government’s boundaries, you determine there are no boundary changes to report. If you do not respond, we will contact your government to confirm your boundary change status.
- **Submit boundary updates to the Census Bureau using the Secure Web Incoming Module (SWIM) website.** All digital submissions must be returned through the SWIM website, per the Census Bureau’s security policy.

SWIM INFORMATION

This email account: <<insert participant email>> already has a SWIM account. A new token is not required.
