

# National Survey Of Syringe Services Programs

Form Approved  
OMB No. 0920-1359  
Expiration Date: XX/XX/XXXX

Public reporting burden of this collection of information is estimated to average 35 minutes per survey, including the time for reviewing instructions, administering questions and entering responses. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, US8-4, Atlanta, Georgia 30333; Attn: OMB-PRA (0920-1359); Expiration: 12/31/2024

Thank you for taking the time to complete this survey. We know that you are incredibly busy, and we have worked hard to design a set of questions that accurately captures the current experience of syringe services programs (SSPs) throughout the country. Your participation will help us tell these stories more accurately.

When answering questions, please refer to the period from January 1, [year], to December 31, [year] unless otherwise stated. If program data are not available, please use your best estimate to complete the questions below. If your SSP only operated during some of the specified time period, please provide information reflective of the time period(s) during which your SSP did operate.

During the survey, you may need to refer to your records to answer some questions. If you need to step away, please select "Save & Return" at the bottom of the page. You can return to the survey using the link in your invitation email, or you will have the option to enter an email address and the same survey link will be sent to the specified email. If you are unable to answer a question, but later find the answer in your records, you can reach us later to provide this additional information by contacting [NAME] at [EMAIL].

If you need any clarifications about any of the questions in this survey or how this information will be used, please contact [NAME] at [EMAIL].

All information will be kept confidential.

To begin, please let us know a couple of details about your syringe services program (SSP).
