### Feeding My Baby and Me: IFPS-III: MONTH 4

The information you are being asked to provide is authorized to be collected under Section 301 of The Public Health Service Act (42 USC 241). Providing this information is voluntary. CDC will use this information in its study, *Feeding My Baby and Me (also known as the Infant Feeding Practices Study III)*, in order to learn more about the choices mothers make in feeding their babies and toddlers in the first 2 years of life. This information will support efforts to improve the health of our nation's children. This information will be shared with a contractor, Westat, with which CDC has entered into an agreement to assist with carrying out this study.

Public reporting burden of this collection of information varies from **2 to 24 minutes** with an average of **15 minutes** per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-1333)
