As explained in the letter you received with this survey, we are contacting you about this survey because our records show that your child was born with a heart condition. We would like to ask you some questions about your child, their health, and your family.

The survey should be completed by a parent or adult caregiver who lives in this household and who is familiar with your child's health and health care.

Please answer questions with information about your child with a heart condition only. *You may choose to skip any question you do not wish to answer.*
