

# Patient Safety Component—Annual Facility Survey for LTAC

Instructions for this form are available at: http://www.cdc.gov/nhsn/forms/instr/TOI-57.150-LTAC.pdf \*required for saving Tracking #: Facility ID: \*Survey Year: Facility Characteristics (completed by Infection Preventionist) \*Ownership (check one): ☐ For profit ☐ Not for profit, including church ☐ Government ☐ Veterans Affairs \*Affiliation (check one): ☐ Hospital System ☐ Independent ☐ Multi-facility organization (specialty hospital network) \*Setting/classification: Free-standing \_\_\_\_\_ Within a hospital If classified as "Free-standing," does your LTAC hospital share physical housing with one or more of the following on-site facilities or units (check all that apply)?  $\square$  No ☐ Inpatient rehabilitation facility ☐ Skilled nursing facility (SNF)/nursing home ☐ Neuro-behavioral unit or facility ☐ Residential facility (assisted living ☐ Other (specify): \_\_\_\_\_ If classified as "Within a hospital," is your LTAC hospital located: In a building that does not provide acute care services (for example, psychiatric hospital?) □ No Near (but not within) an acute care hospital? ☐ Yes  $\square$  No In the previous calendar year, indicate: \*Number of patient days: \*Number of admissions: \*Average daily census: \*Numbers of LTAC beds in the following categories (categories should equal total): a. Intensive care unit (CIU) or critical care beds: b. High observation/special care/high acuity beds (not ICU): c. General LTAC beds: \*Total number of LTAC beds (licensed capacity): \*Number of single occupancy rooms: \_\_\_\_\_ \*Number of double occupancy rooms: \_\_\_\_\_ \*Number of triple occupancy rooms: \_\_\_\_\_ \*Number of quadruple occupancy rooms:

Assurance of Confidentiality: The voluntarily provided information obtained in this surveillance system that would permit identification of any individual or institution is collected with a guarantee that it will be held in strict confidence, will be used only for the purposes stated, and will not otherwise be disclosed or released without the consent of the individual, or the institution in accordance with Sections 304, 306 and 308(d) of the Public Health Service Act (42 USC 242b, 242k, and 242m(d)).

CDC 57.150 (Front). Rev 9, v12.0

Public reporting

\*Total number of admissions with one of the one of the following conditions identified on admission (present of admission, not developing during LTAC stay): (Note: These categories are not mutually exclusive.)

If helpful for your facility in identifying these conditions on admission, review a list of ICD-10 and DRG codes commonly associated with these conditions found here: http://www.cdc.gov/nhsn/xls/DRGs-ICD-9s-NHSN-LTAC-Survey.xlsx
