Refusal Code Entered

Subject: NSDUH Follow-up Interview – Interview Importance, Project Contact Information

Dear [INSERT NAME], Recently, a professional interviewer from RTI International contacted you about participating in a follow-up study to the National Survey on Drug Use and Health. At this time, you expressed concerns about participating.

We understand that your privacy is important – RTI International does not provide individual answers to anyone. Your answers are combined with the answers of thousands of other people and reported only as overall numbers. Also, we never ask for your full name. In addition, the option to refuse to answer any question is always available.

If you have any questions about your concerns, please call 1-800-848-4079 or email [INSERT CONTACT INFORMATION]. Your participation is very important – please consider scheduling an interview date and time using the link below:

[INSERT LINK]

Thank you for your time – we hope you will reconsider and choose to participate in this very important and beneficial study.
