Collection and Use of Personal Information**

Sections 204 and 1631 of the Social Security Act, as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent us from negotiating a repayment agreement and an accurate and timely determination on your request for a change in your overpayment recovery rate.

We will use the information you provide to determine if we can approve your request for a change in your overpayment recovery rate. We may also share the information for the following purposes, called routine uses:

- To student volunteers and other workers, who technically do not have the status of Federal employees, when they are performing work for SSA as authorized by law, and they need access to personally identifiable information in SSA records in order to perform their assigned Agency functions; and
- To contractors and other Federal agencies, as necessary, for the purpose of assisting us in the efficient administration of its programs. We will disclose information under this routine use only in situations in which we may enter into a contractual or similar agreement to obtain assistance in accomplishing an SSA function relating to this system of records.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notice (SORN) 60-0094, entitled Recovery of Overpayments, Accounting and Reporting/Debt Management System (ROAR/DMS), as published in the Federal Register (FR) on August 23, 2005, at 70 FR 49354; 60-0231, entitled Social Security Online Accounting and Reporting System, as published in the FR on January 14, 2020 at 85 FR 2224; and 60-0320, entitled Electronic Disability (eDIB) Claim File, as published in the FR on June 4, 2020, at 85 FR 34477.
