

## **PROGRAM STAFF SURVEY FOR NEXT STEPS FOR RIGOROUS RESEARCH ON TWO-GENERATION APPROACHES PROGRAM STAFF**

Note for reviewer: The process, strategy, or tool being asked about in the survey will be an element of a theory of change or logic model that a site has developed or revised in partnership with the NS2G site team. The processes, strategies, and tools will differ across sites, as will the specific research questions being answered in the formative RCE. As a result, it might be necessary to tailor the exact wording of the questions to each site (as indicated by the brackets throughout the survey).

### **Introduction**

Thank you for participating in this pilot for Next Steps for Rigorous Research on Two-Generation Approaches (NS2G). The purpose of this information collection is to learn about your experience using the [process/strategy/tools]. The average estimated public reporting burden for this collection of information is about 10 minutes per response.

Participation in this information collection is voluntary. Providing information is voluntary, and all individual responses that are collected are kept private to the extent permitted by law. Please do not include any personal information, such as your name or contact information, on this form.

Paperwork Reduction Act Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection is 0970-0356 and it expires 5/31/2021.
