15. REFERENCES—(List names, email addresses and complete mail whom we may consult concerning your qualifications for a federal bird	ing addresses of at least three licensed bird banders or other ornithologists I marking permit.)			

## NOTICE

In accordance with the Paperwork Reduction Act (PUB.L. 96-511), Privacy Act of 1974 (PUB.L. 93-579), please be advised that:

- 1. The gathering of information on migratory birds and their uses is authorized by the Migratory Bird Treaty Act (16 U.S.C. 703-711) and the Fish and Wildlife Act of 1956 (16 U.S.C. 742d). The requested information is required as a condition of your migratory bird permit.
- 2. Information from this application will be used to further the understanding, management, and utilization of the North American migratory bird resource, by Federal, State, and private conservation organizations, and the Canadian Wildlife Service.
- 3. Failure to answer any questions fully may be sufficient cause for the U.S. Geological Survey to deny your permit. Your participation in the survey is voluntary.
- 4. In the event there is an indicated violation of a statute, regulation, rule, order, or license, whether civil, criminal, or regulatory in nature, the requested information may be transferred to the appropriate Federal, State, local, or foreign agency charged with investigating or prosecuting such violations.
- 5. In the event of litigation involving the records of the subject matter of the records, the requested information may be transferred to the U.S. Department of Justice.

PAPERWORK REDUCTION ACT STATEMENT: A Federal agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. It is our policy not to use your name for any purpose other than completing our banding records. All names and identifying information are protected by the Privacy Act of 1974. Your response is required to obtain a benefit in the form of a permit. We estimate that it will take you about 30 minutes to read the instructions and fill in the requested information. Comments regarding this collection of information should be directed to: the Bureau Clearance Officer, U.S. Geological Survey, 12201 Sunrise Valley Drive, MS160, Reston, Virginia 20192. Thank you for your cooperation.

I hereby certify that I have read and am familiar with the regulations contained in Title 50, Parts 13 & 21, of the Code of Federal Regulations and the other applicable parts in Subchapter B of Chapter 1 of Title 50, and I further certify that the information submitted in this application for a permit is complete and accurate to the best of my knowledge and belief. I have not been convicted of, entered a plea of guilty or nolo contendere for a felony violation of the Lacey Act, Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act. I understand that any false statement herein may subject me to the criminal penalties of 18 U.S.C. 1001. I realize that I must comply with the rules and requirements in the Bird Banding Manual and that marking and/or salvaging birds requires a significant amount of my time if a permit is issued. I agree to maintain and submit data promptly and in the prescribed format, to cooperate fully with the U.S. Geological Survey in the Bird Marking Program, and to abide by the terms and limitations of that permit.
