Instructions for Completing Excel Template

[Review the Form MP-200 Instructions before entering data.https://www.pbgc.gov](https://www.pbgc.gov)

Enter the PBGC case number assigned to your plan and case name in the heading of the applicable tab.

Use the appropriate schedule as a guide while filling out this spreadsheet.

Overwrite the sample data in each tab and populate the applicable tab for:

- Notifying PBGC of transfer to Financial Institution: Schedule A; or

- Transferring Funds to PBGC: Schedule B

- Missing Distributees Removed via Amendment

The item number on the schedule corresponds to the applicable section or question on MP-200

Save your spreadsheet as "Form 200 Excel Attachment_12345600" where "12345600" is the applicable case number of your plan.

Feel free to add a row at the bottom totaling amounts, counting participants, etc., but insert a blank row between the individual data and any "total" row you want to add.

Tips for Schedule B

[See Color Coding tips to help understand when additional data or an attachment is required.](#)

[See Definitions of Qualified and Non-Qualified Roth Transfers to determine if Post-Tax transfers are Qualified.](#)

[Uncashed checks should be transferred to PBGC without any reduction for tax withheld.](#)

[If the administrative fee gets paid out of participant funds, record the amount net of the fee.](#)

[If the plan has Other non-taxable benefits, include a description/plan provisions.](#)

If the Missing Distributee is a Beneficiary, list the beneficiary's information and include attachment, or use the Beneficiary tab, to include the originating Participant and why beneficiary is due money

I data for Transferring Plans - Attachment to Form MP-200

Use these color indicators when reviewing your filing spreadsheet to insure you have included all the necessary data and descriptions.

When Data is entered and the Cell is highlighted with a blue background and a white font, additional information is needed to describe the situation. You can use fields to the right if it's related to a missing distributee being a beneficiary or a portion of the benefit attributable to non-US source income. You will need to include an attachment if it's related to Other post-tax contributions or a Beneficiary election form.

When Data is entered in the Qualified Roth Transfers and the Missing Distributee is less than age 59.5, the cell is highlighted with an orange background and a black font. If this data is correct, add a note about why the Missing Distributee's Roth benefit is Qualified.

When Data is entered and the Cell is highlighted with a yellow background and a bright blue font, Additional Information is Required in this cell. -

Use this Tab for participants that were removed from the Plan Via Amendment, why they were removed and any benefit amount in 8a if a copy of the form is not available.
