Welcome to the Occupational Employment and Wage Statistics (OEWS) data collection website. OEWS is a cooperative effort between the U.S. Department of Labor, Bureau of Labor Statistics, and State Workforce Agencies. To save time and prevent the system from logging you out, we recommend you prepare your data now. Please see our instructions, including file examples, on our [respondent page](#). We also have an [Excel template](#) available.

Companies with twenty or more employees find it easiest to upload a file or enter your data into an online form depending on the number of employees you report, but you may switch to the other method if you prefer.

Information about Occupational Employment and Wage Statistics

Uploading a file listing the occupation and wage rate for each of your employees is the easiest way to submit your data. Many payroll and personnel systems will generate a report with all of the information we are requesting.

Alternately, you can create a spreadsheet. Do not include employee names or social security numbers.

Here is an example of the type of information we are requesting:

	A	B	C	D	E
1	Job title	Hourly wage	Annual salary	# of employees	Department
2	Forklift operator	\$16.00		2	Warehouse
3	Forklift operator	\$12.98		4	Warehouse
