How will my information be used?

The information you provide will be used for statistical purposes only. All identifying information for non-government establishments will be held in strict confidence to the full extent permitted by law.

How do I provide my information?

There are several ways to provide your data, and many payroll systems will produce an electronic report with the information we need. Please remove personally identifiable information like employee names and Social Security numbers from your submission. If you are reporting for a school, please see the additional school instructions at **www.bls.gov/respondents/oes/instructions.htm#school**.

- **Online** → Go to **IDCFOWS.BLS.GOV** and log in using your unique IDCF number, **<sched_num>**. You can fill out our online form, upload your own file, or download an Excel template to fill out.
- **Email** → Send an email with your data and IDCF number to **«state_email»**. An Excel template is available at **www.bls.gov/respondents/oes/template.xlsx**. BLS encourages respondents to encrypt an attachment and send the password in a separate email. Please do not include sensitive information in the body or text of the email.
- **Phone** → Call us at **«state_phone»**.

When do I need to provide my information?

Please respond within two weeks. Your timely response will help reduce program costs and save taxpayer money by eliminating the need for additional mailings and telephone calls to you.

What if I have questions?

If you have any questions or if we can help you submit your data, please call or email us. For more information, visit **www.bls.gov/respondents/oes «site_and» «state_site»**.

Thank you for your time and attention – we appreciate your help.

Sincerely,

Completing the Occupational Employment and Wage Statistics (OEWS) Report Online

You are being asked to report the occupation and wage information about the employees at the location specified after “Report for” in the mailing address for the pay period that included **November 12, 2023**.

We recommend schools upload or email a spreadsheet or report from your payroll system. We prefer Excel files (.xlsx), but can accept almost any file format except executable (.exe) files. You can download a template from www.bls.gov/respondents/oes/K12template.xlsx.

- For teachers (primary or secondary educators), specify the grade level and indicate if they teach special education or career, technical, or vocational education.
- For educators paid on a daily basis, such as substitute teachers, calculate their hourly wage rate by dividing the daily wage by the number of hours in their workday.
- For educators who work less than full time but receive an annual salary, report the salary and the fraction of full time they work (half, three-quarters, one-third, two-thirds, etc.).
- For employees who are not educators, report their hourly wage rates. You can report annual salaries for full-time employees.
- If wage rates are recorded differently, such as by the month, convert them to an hourly wage rate.

IMPORTANT: To protect your data, your session will time out if you spend 30 minutes on a page. A warning will appear when five minutes remain. If you do not click “Stay Connected” to extend your session, your data will be lost and you will have to log in again.

We do not receive your data until you click “Submit Data to BLS” or “Send” at the end of the process.

1. Go to **IDCFOEWS.BLS.GOV**. Log in with your unique IDCF number, <sched_num>.
2. Follow the instructions to enter your contact information and answer questions about the location specified after “Report for” in the mailing address. You will be directed to either the data entry page or the file upload page based on the size of your establishment. Each page has a link you can use to switch to the other submission method if you would prefer.
3. Enter your occupation and wage data into our online form or select a file to upload.
4. Click “Submit Data to BLS” or “Send” and “Continue” to complete the submission. You will receive a confirmation email. Please save this email in case there are questions about your submission.

Thank you for your time - employers like you are the ONLY source of this information!

SAVE TIME!

Upload a spreadsheet!

Many schools save time by sending us a spreadsheet or report from their personnel or payroll system. All we need is a column with job titles, a column with wage rates, and a column with pay basis. A column listing department is optional, but helpful, and can reduce the need for follow-up phone calls.

Upload your spreadsheet or other report at

IDCFOEWS.BLS.GOV
