BLS-9300-IDCF

In December 2022, you were notified to participate in the BLS 2023 Survey of Occupational Injuries and Illnesses (SOII) and asked to maintain records of workplace injuries and illnesses throughout 2023.

Forms to help you complete the survey

- ◆ OSHA’s Form 300 - Log of Work-Related Injuries and Illnesses; includes all injuries and illnesses for the year
- ◆ OSHA’s Form 300A - Summary of Work-Related Injuries and Illnesses; includes average employment and total hours worked
- ◆ OSHA’s Form 301 - Injury and Illness Incident Report; includes detailed injury and illness data

If the detailed case information requested is not recorded on your OSHA forms, please refer to other sources of information you may have (including your Workers’ Compensation records). Please note, however, that *OSHA’s rules* (www.osha.gov/recordkeeping) concerning *which injuries and illnesses to record differ from your state’s Workers’ Compensation reporting*.
